Vikings display Many emotions

Memories of the past, excitement of the present, and hope for the future, all add up to create a bright beginning for the 1974-1975 school year.

The people who got involved and took part in school activities, the places people went, and the things did, are all woven into the tapestry of Northern high school's past, present, and future.

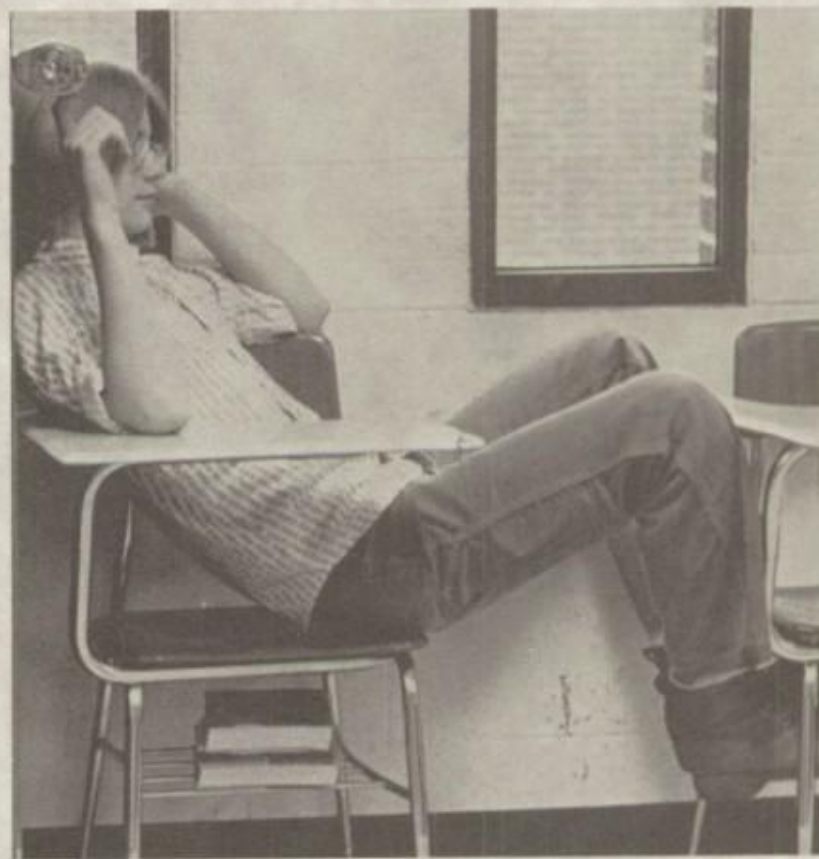

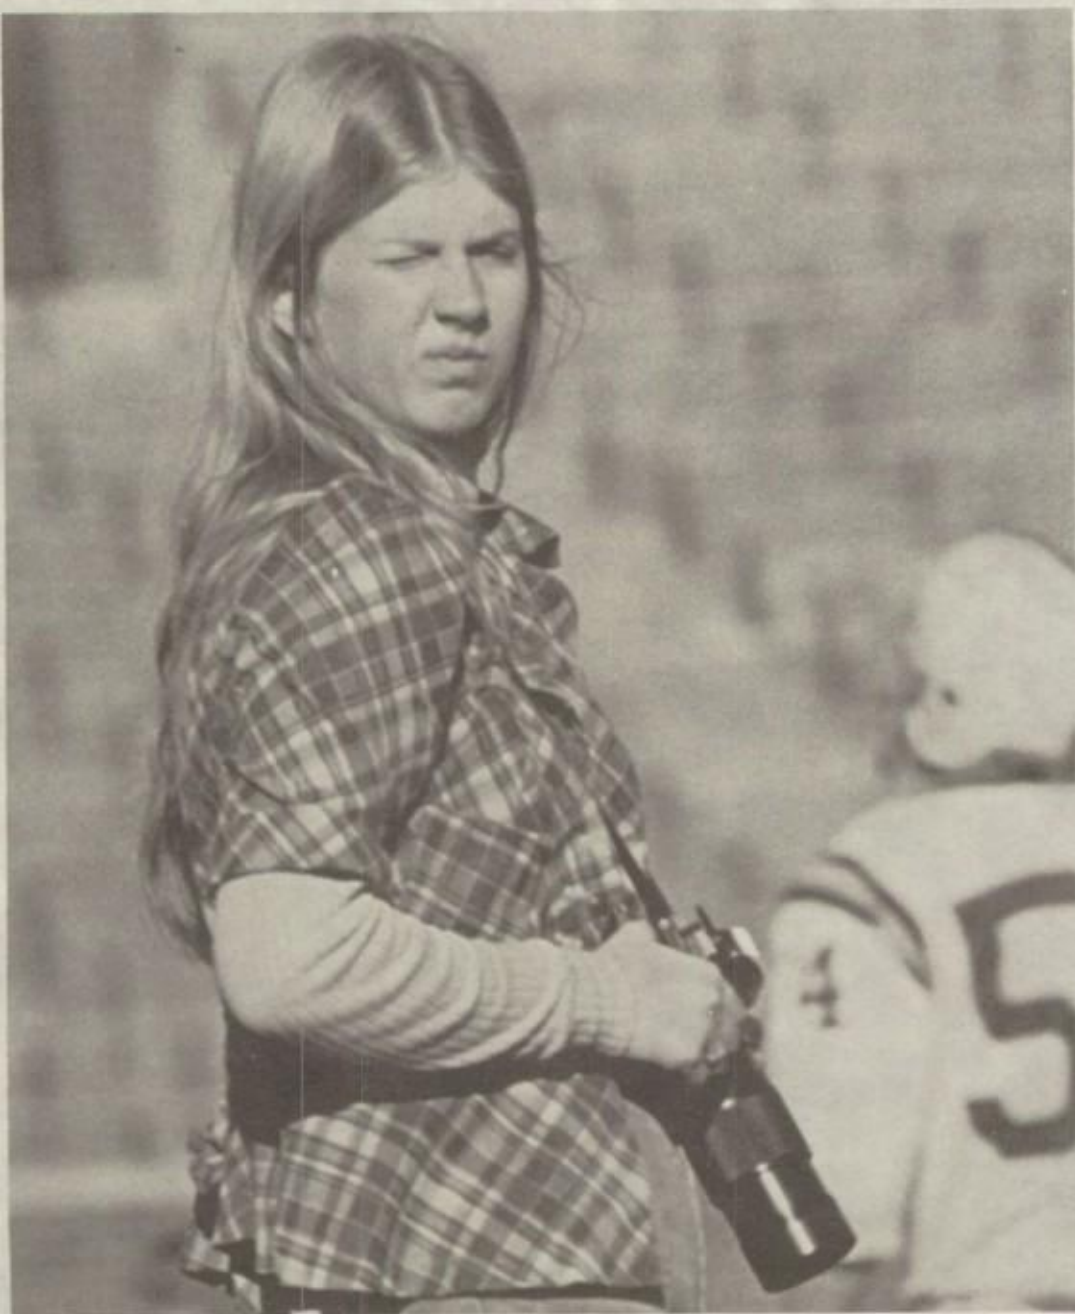

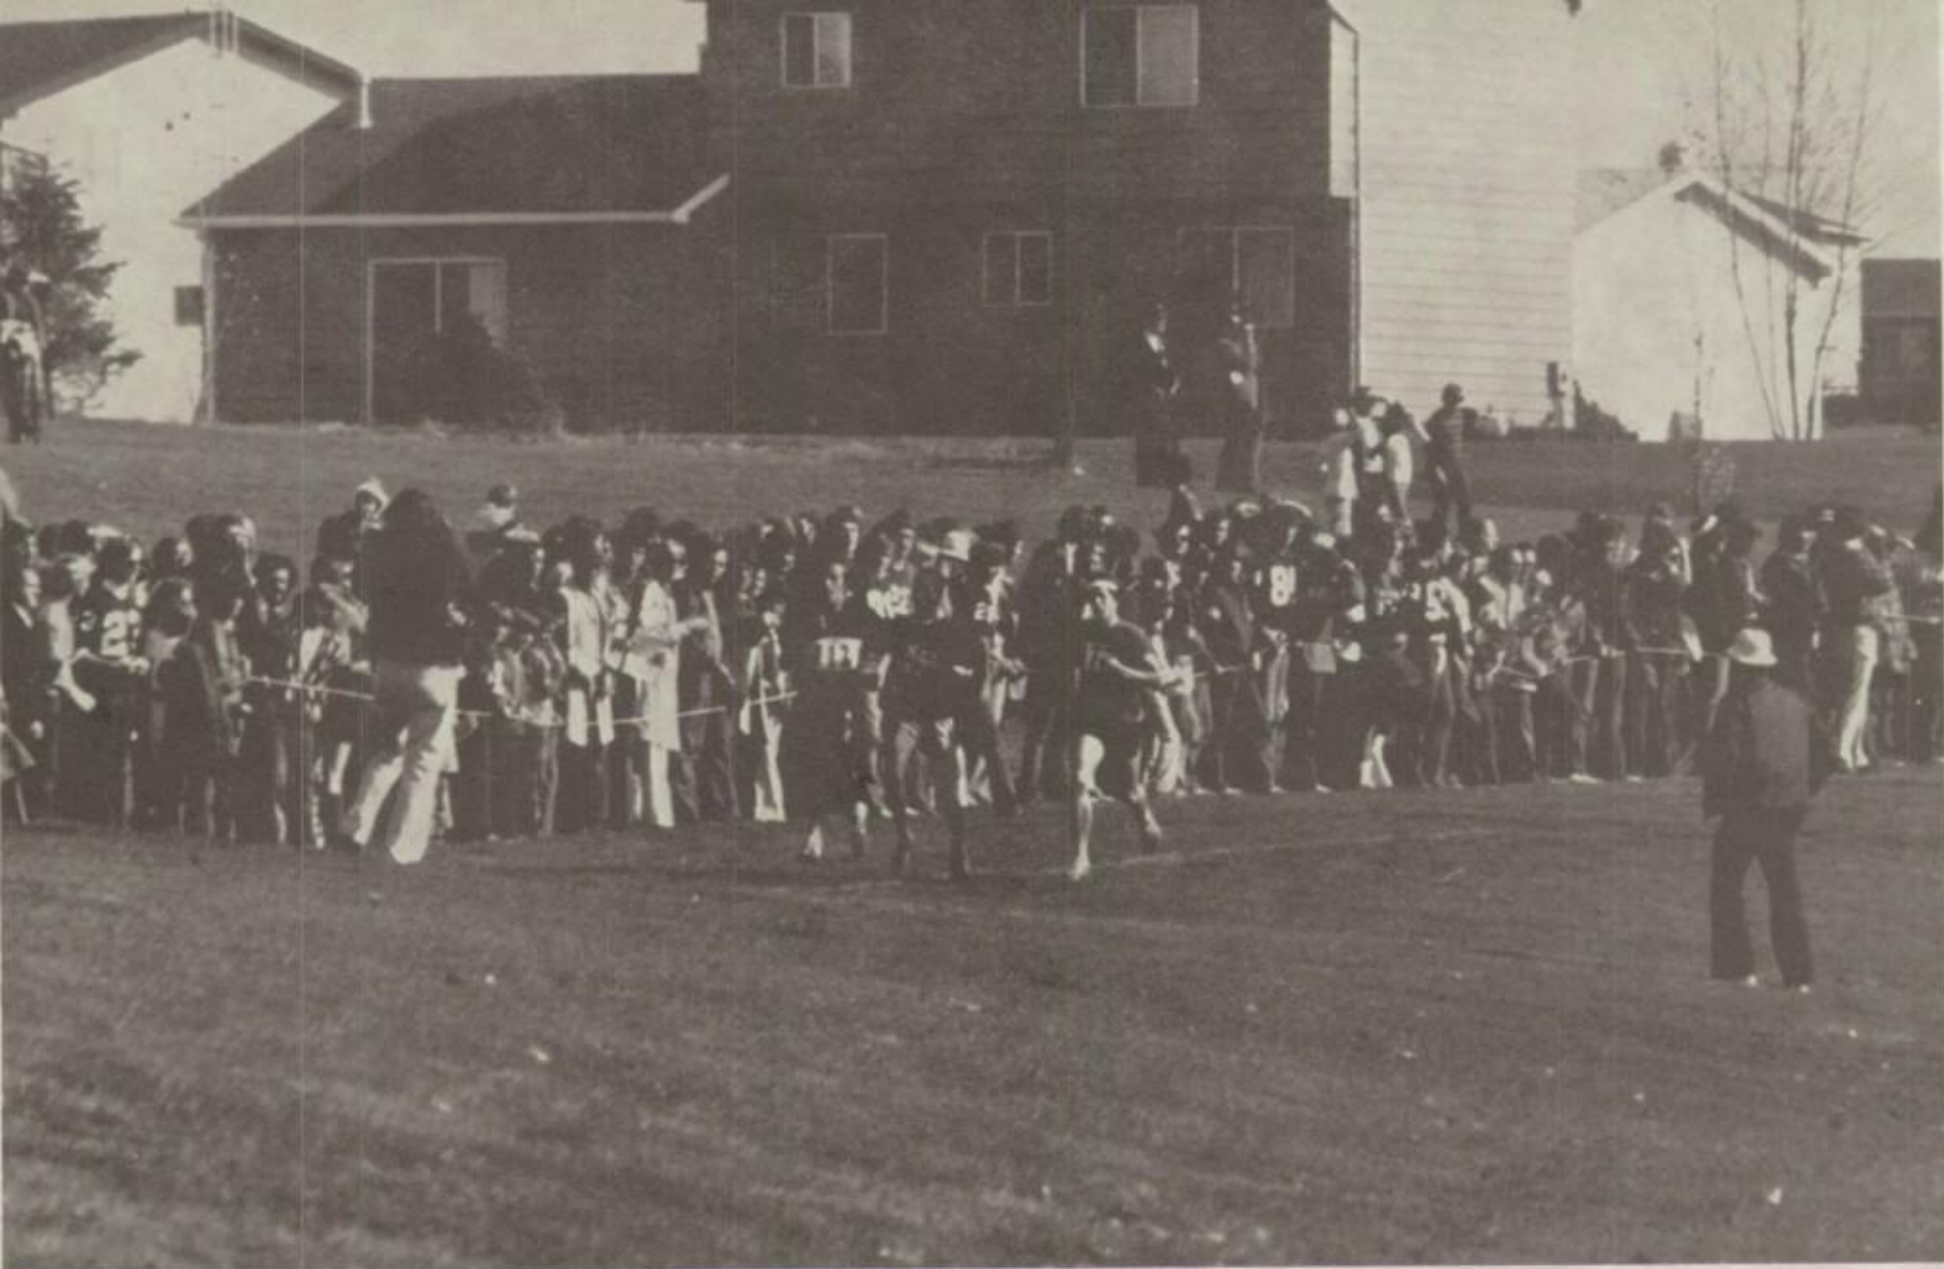

Each person at Northern will hold a memory of the places they went and the things they did. Each place had a meaning, good or bad, it meant something to someone. These memories will linger in our minds forever.

The tradition of Northern's past and the spirit of the present, will lead to great memories to Vikings in the future.

Activities

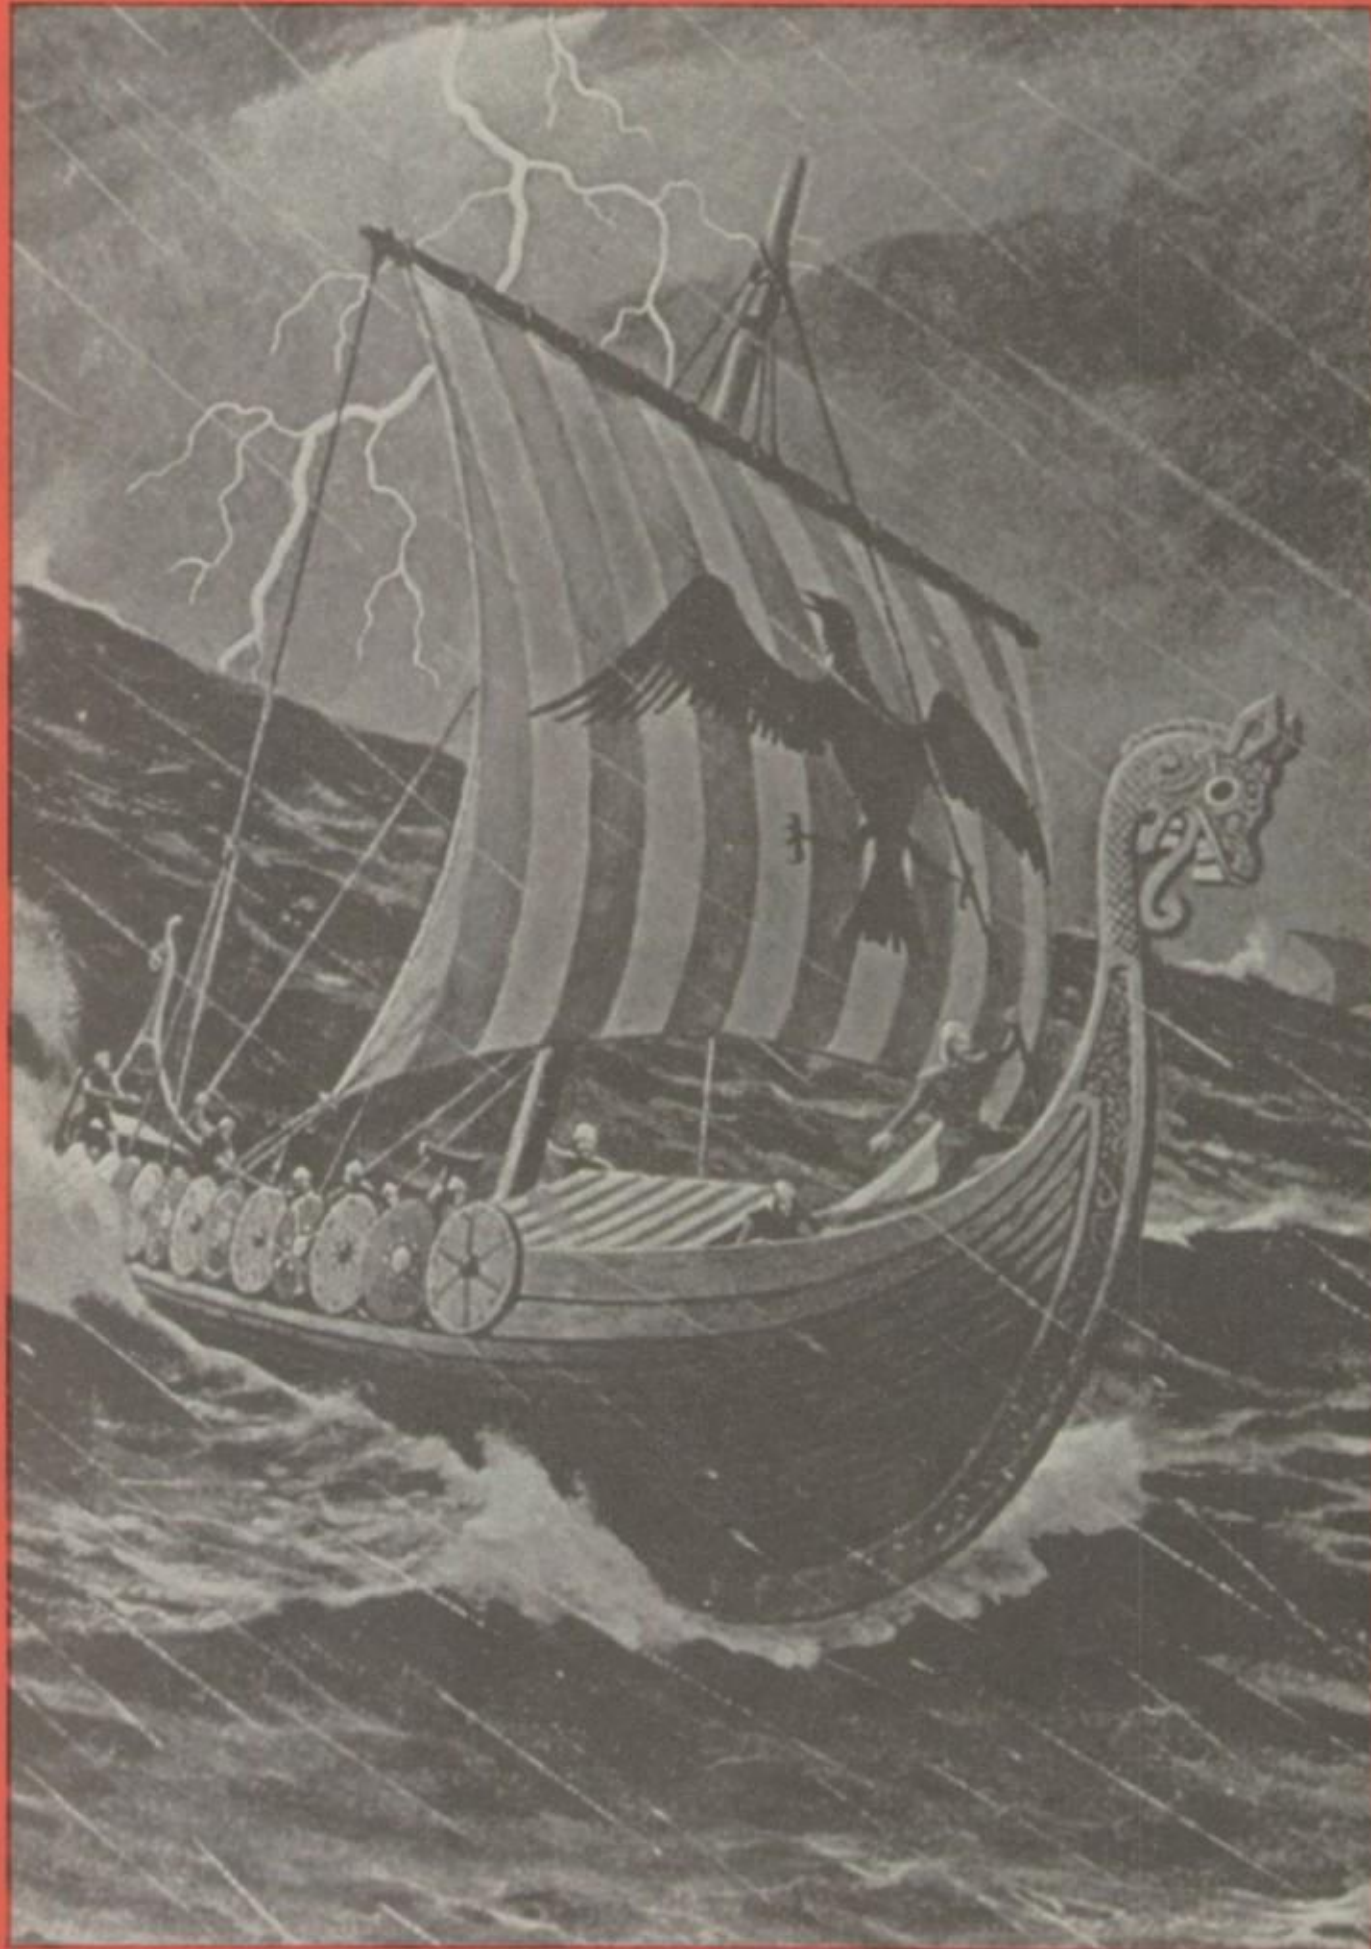

How doth the little bee
Improve each shining hour
And gather honey all the day
From every op'ning flow'r

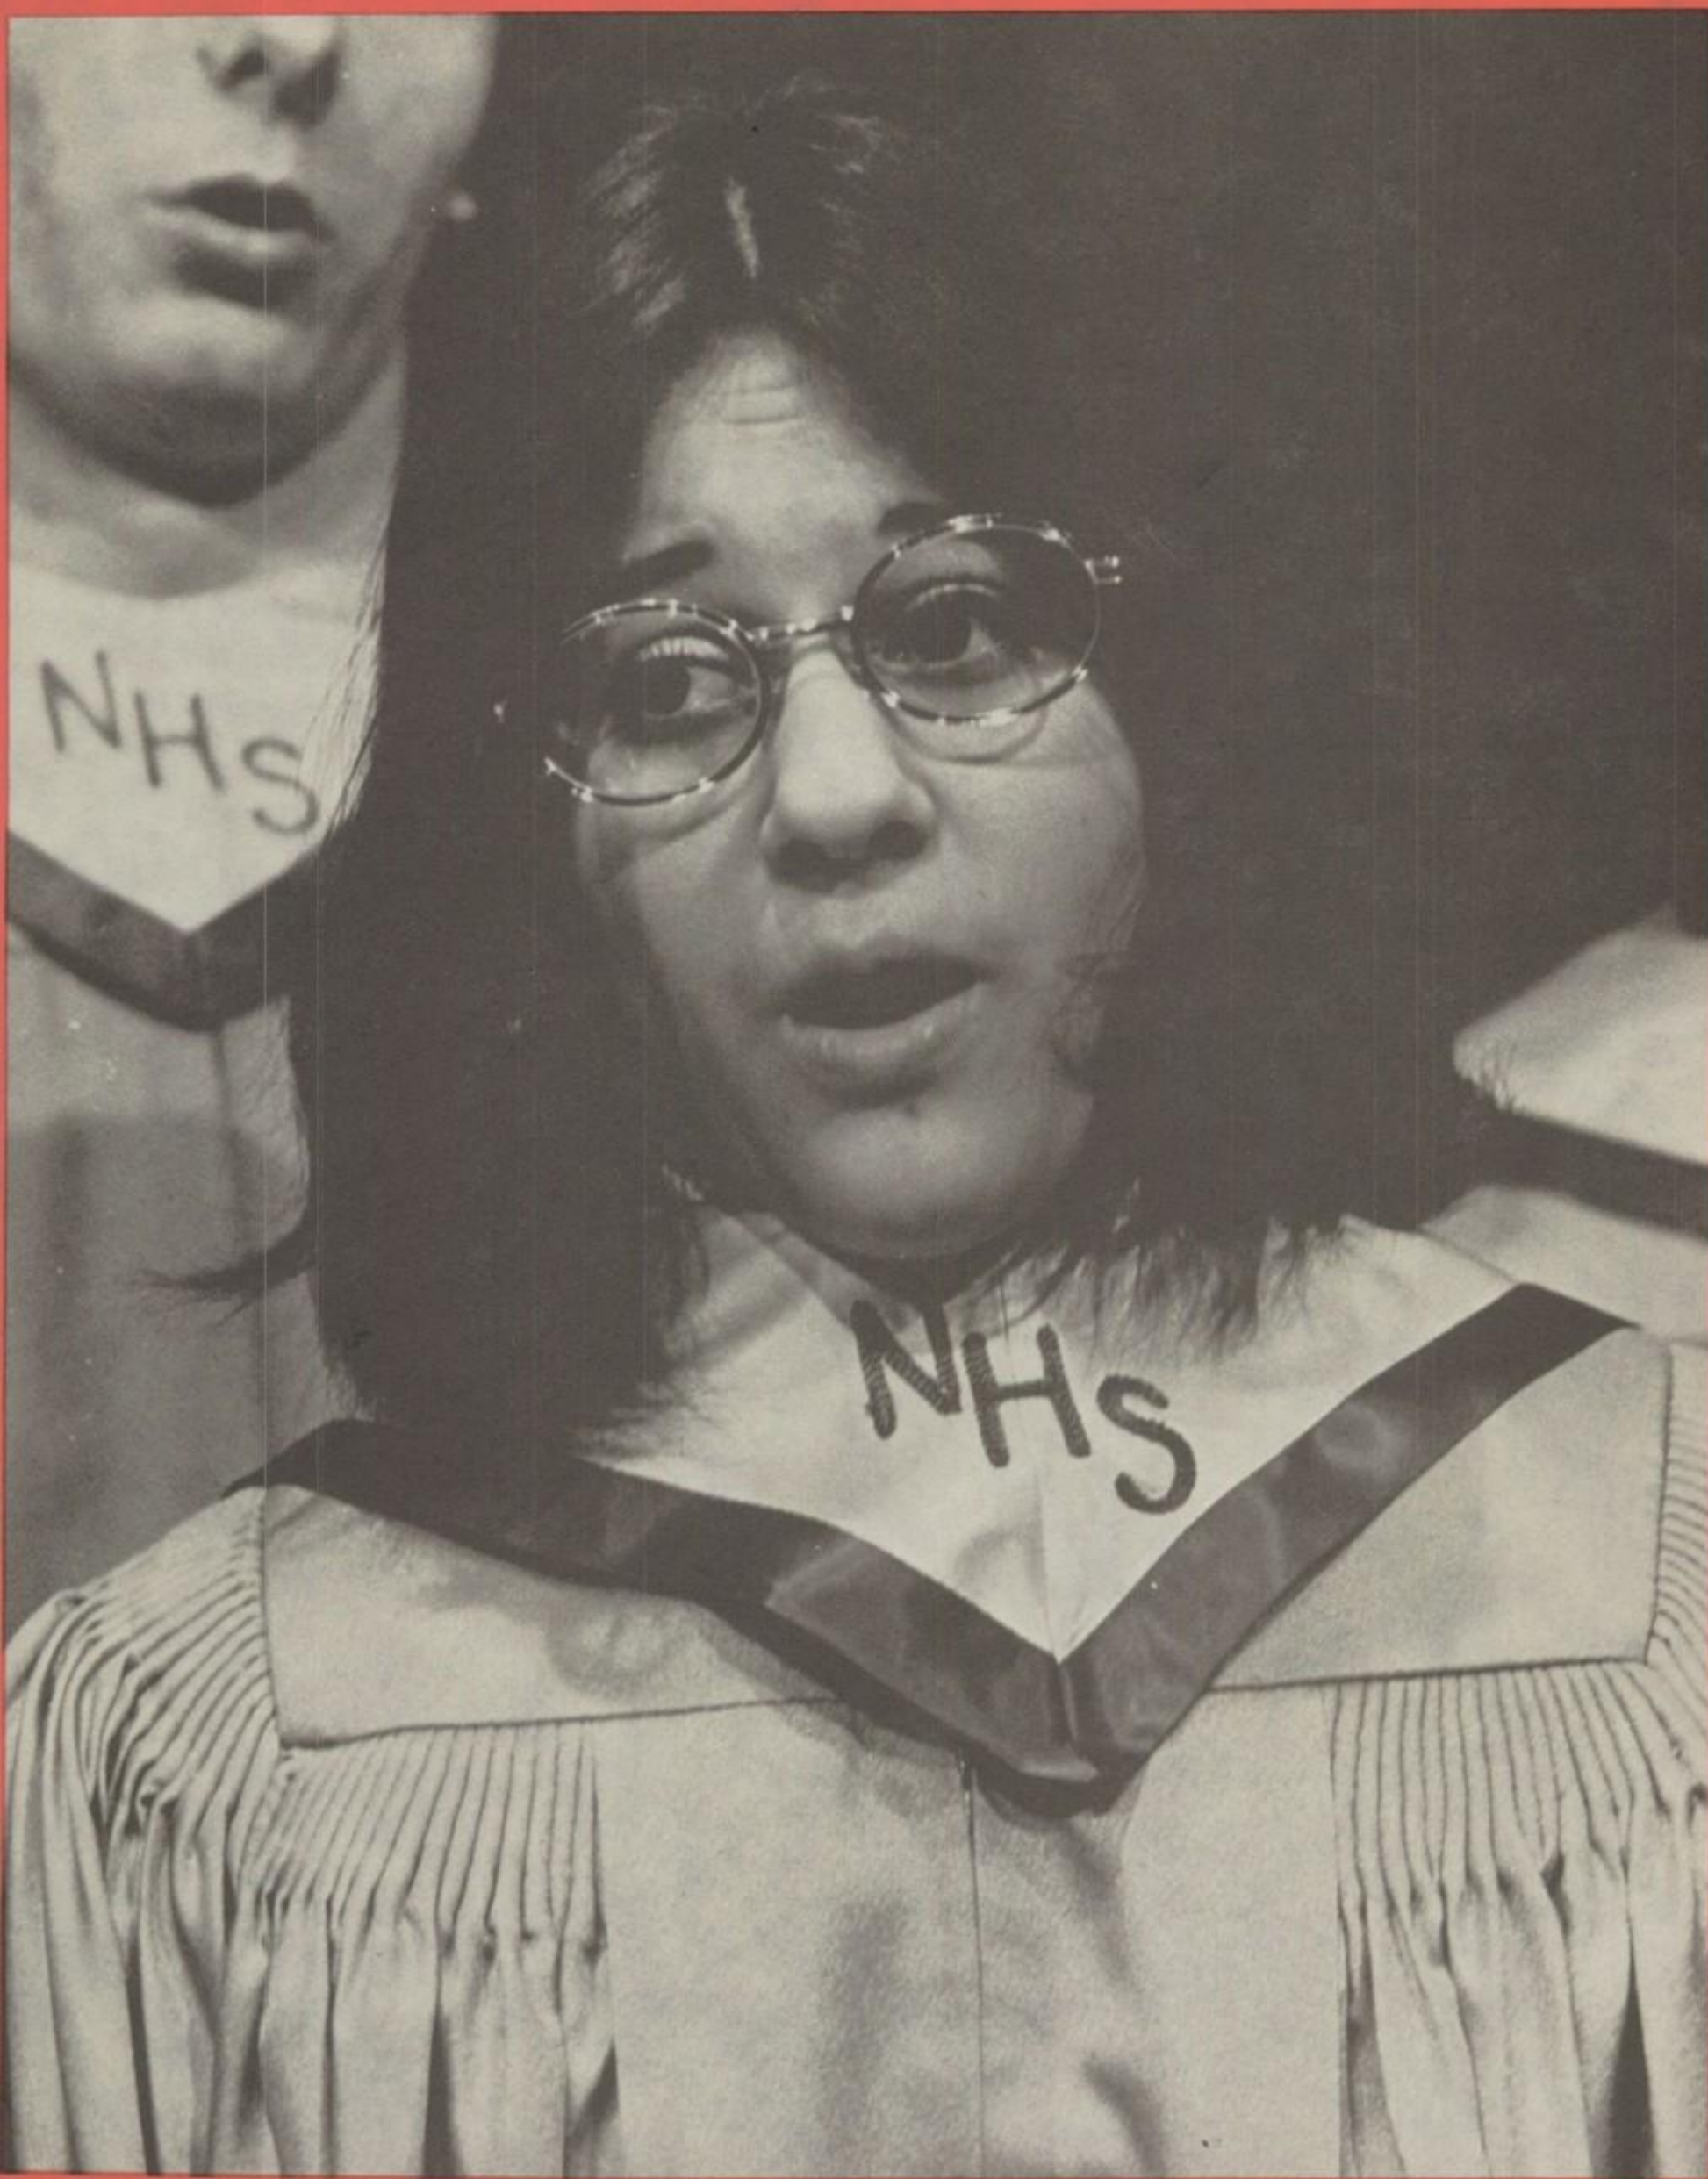

How skilfully she builds her cell;
How neat she spreads her wax,
And labors hard to store it well
With the sweet food she makes.

In works of labor or of skill,
I would be busy too;
For Satan find some mischief still
For idle hands to do.

In books, or work, or healthful play,
Let my first days be past;
That I may give for ev'ry day
Some good account at last.

Again marching Band is success

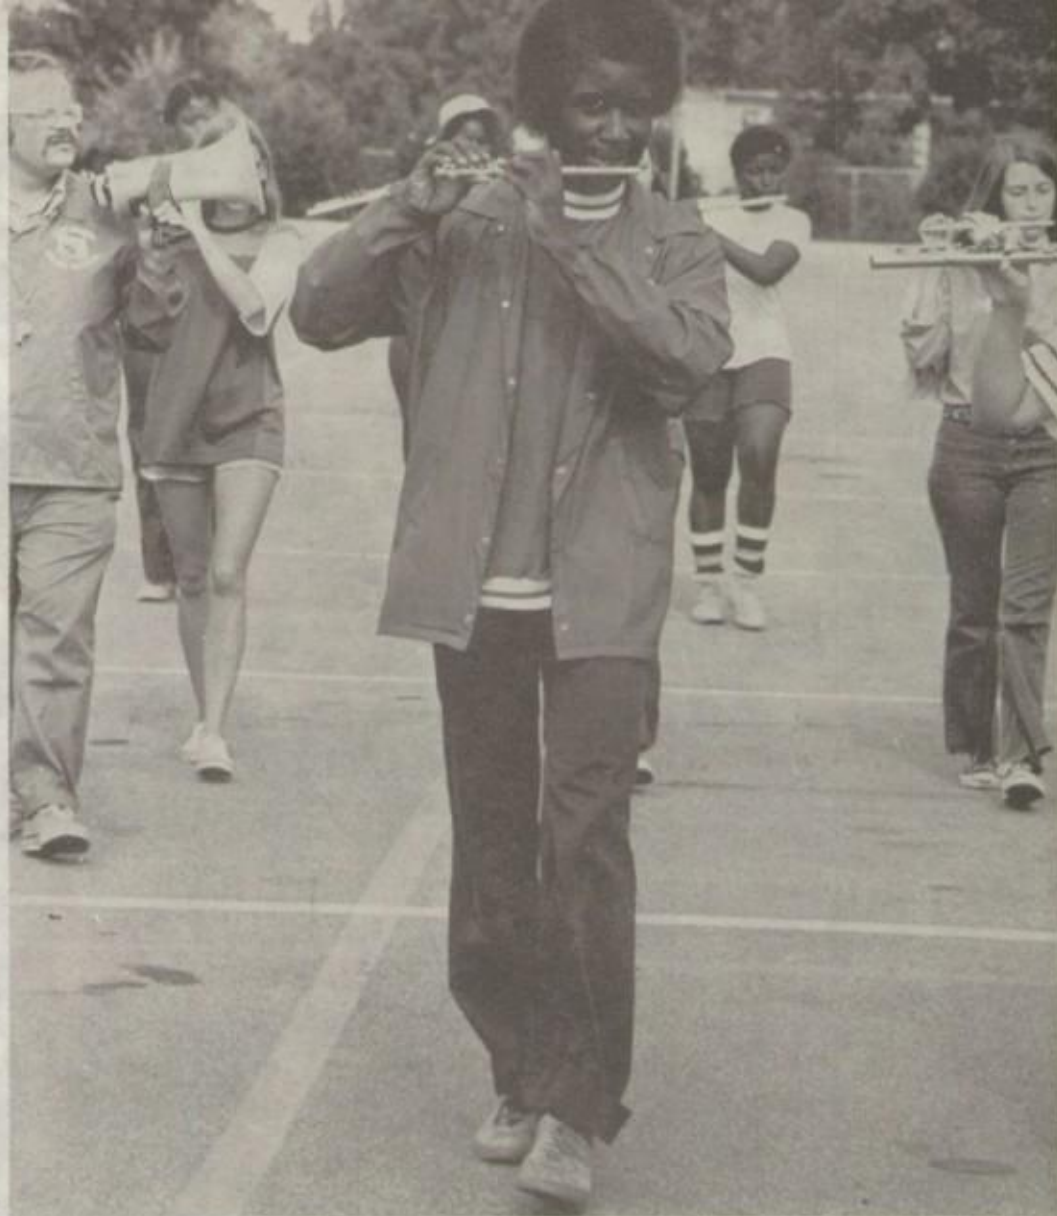

Mr. Ronald Shoup worked dilligently with the marching band this year to bring exceptional half-time shows to the Viking fans.

This year the marching band developed a new style in marching which worked out quite well on the field.

They marched for the Veteran's Day parade and for the pep assemblies. Santa Claus was welcomed again this year by Northern's marching band at Genesse Valley.

Entering a band contest with eleven other schools was another activity.

Besides playing at all the home football games, they traveled down to Waterford Mott to march the Viking Gridders on to a victory.

All squads sold candy bars this year in order to raise sufficient funds for cheerleading camp. The varsity and j.v. squads attended last summer and participated in daily competitions. The varsity team won a first place trophy for their performance.

The j.v. and varsity squads have competed in several competitions all around the state this year.

A t h l e t i c s

Call me a friend or foe,
Little I care!
I go with all who go
Daring to dare.
I am the force,
I am the fire,
I am the secret source
Of desire.
I am the urge,
The spur and thong.
Moon of the tides that surge
Into song.
Call me friend or foe,
Little care I!
I go with all who go
Singing to die.
Call me friend or foe . . .
Taking to give,
I go with all who go
Dying to live.

J.V. end season With a 7-2 record

J.V. football coach Scott Soth was very pleased with the way his team played together as a team, the Vikings finished with a 7-2 record, second in the city, and Saginaw Valley-West champions. All of the games were close ones, Northern scored 125 points through the season, and their opposition scored 100. The J.V.'s won their first six straight games, lost their seventh to a big Bay City club. Regular quarterback Michael Ivory was injured in the Northwestern game and several other key injuries hurt them in the latter part of the season. On offense, Danny Green gained more than 700 yards on the ground, defensively outstanding performances were given by, Bernard Jamieson, Randy Churchill, Michael Simpson and Eddie Bailey.

Harriers first In Tri-State

The 1974 Cross Country team from Northern was the best in Michigan, and gave Northern it's first harrier title.

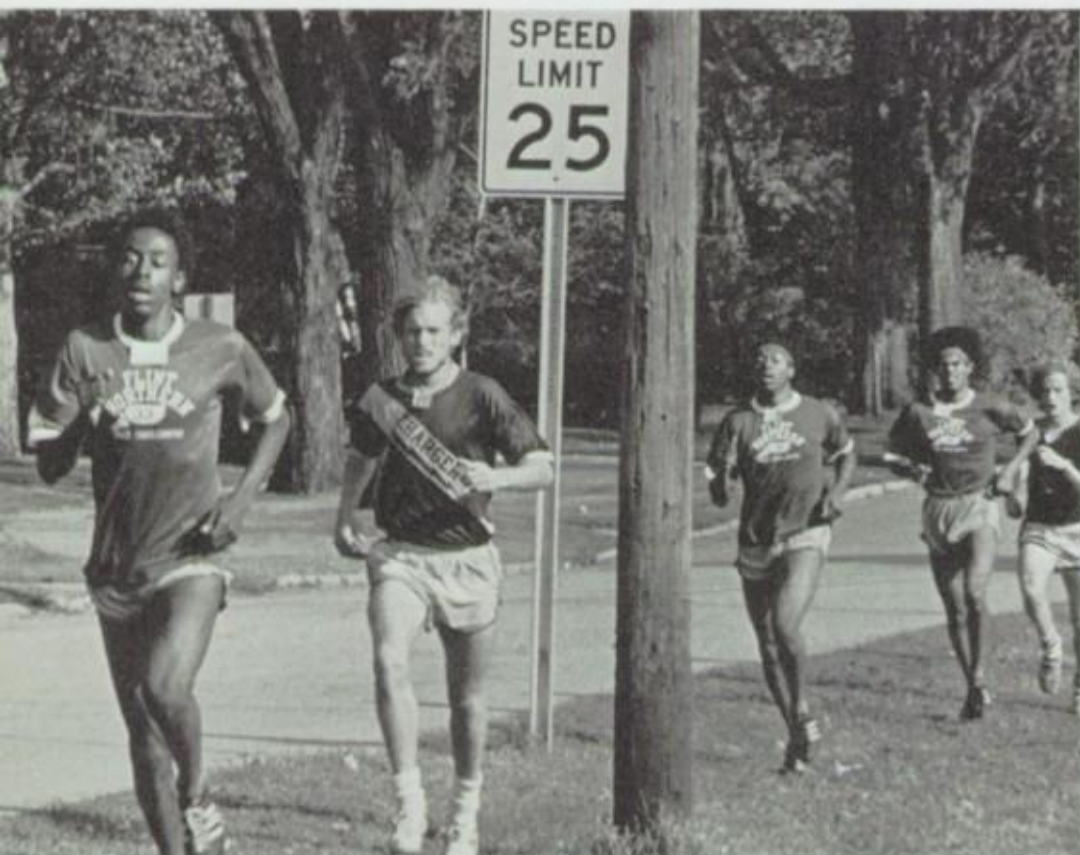

In the State meet, Keith Young finished with a time of 14:37.1, Ron Whitner and Michael Bowen finished 15th and 16th respectively, John Halford 18th, Steve Branch 34th, and Richard McInnes 84th, for a total of 74 points.

Going out of the state, Northern took first in the Tri-State Invitational, competing against other prep teams from Ohio and Indiana. Northern scored 60 points, Portage Indiana was the next closest with 88. At the Owosso Invitational the Vikings took the first six places and scored 15 points, the lowest total possible. Northern was the City champion with 28 points.

Cross country Goes all the way

Hidden in the enormous shadow cast by the Varsity Cross Country team stand the Junior Varsity cross country team members who are the varsity runners of the future.

In many of the meets, J.V.'s don't run because some schools don't have J.V. teams.

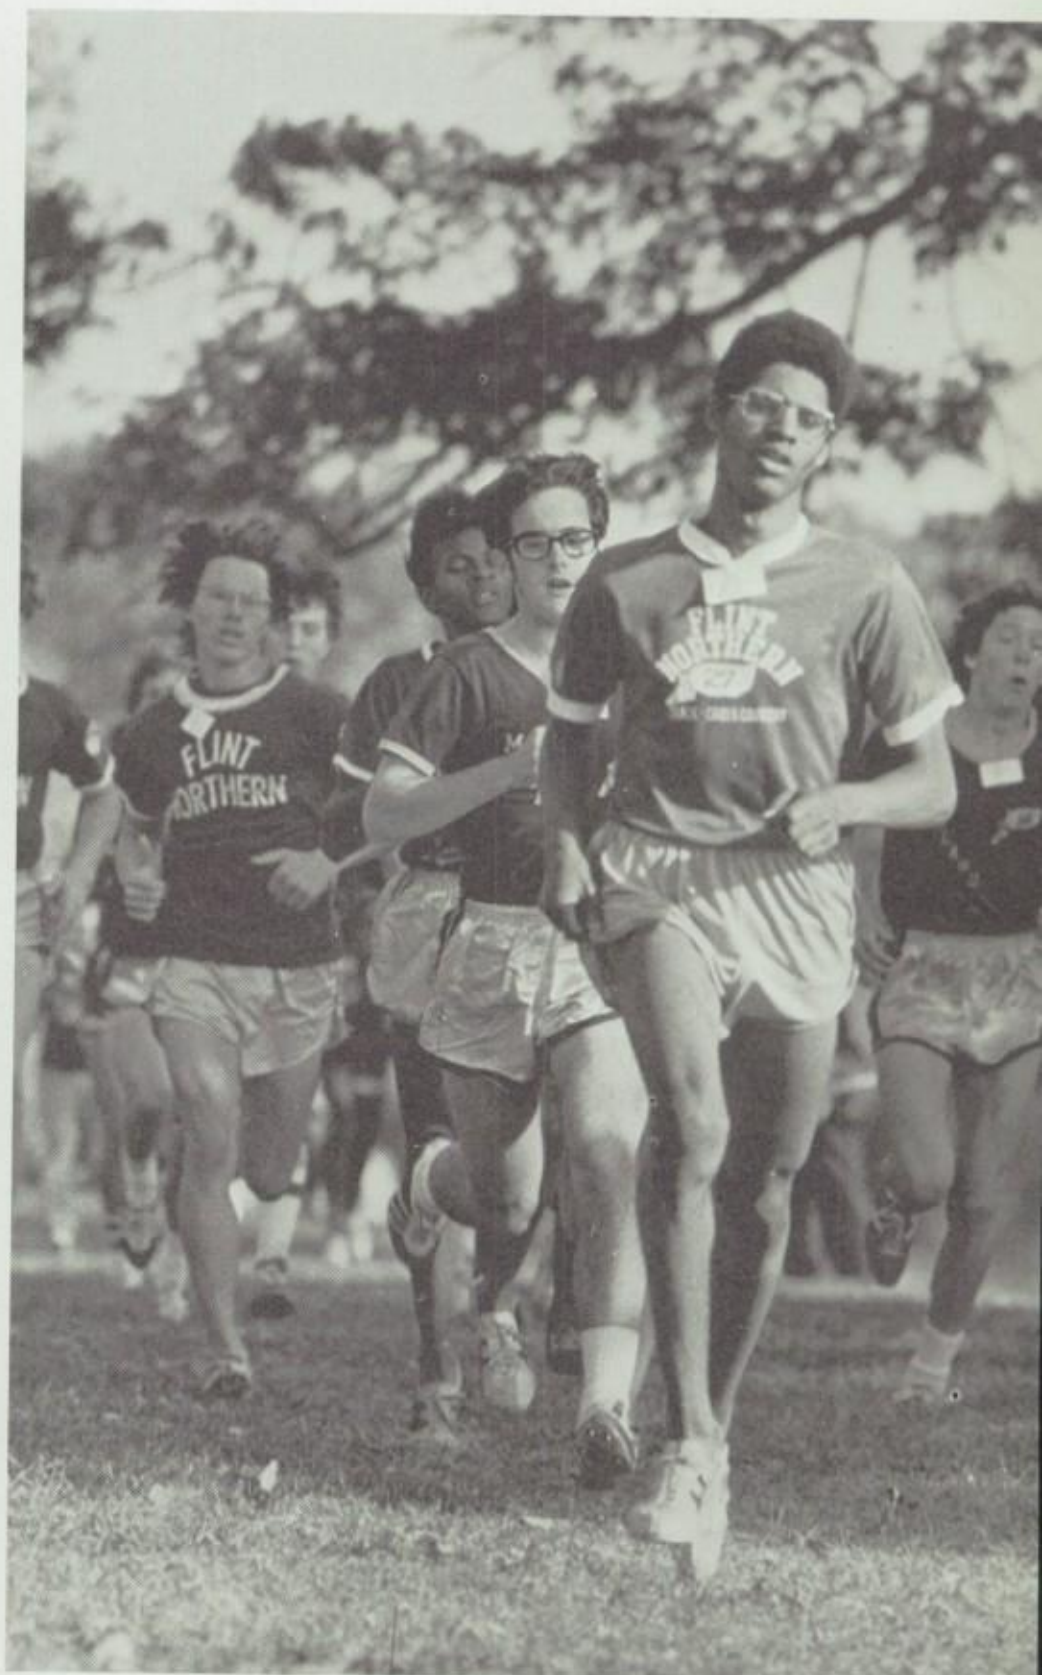

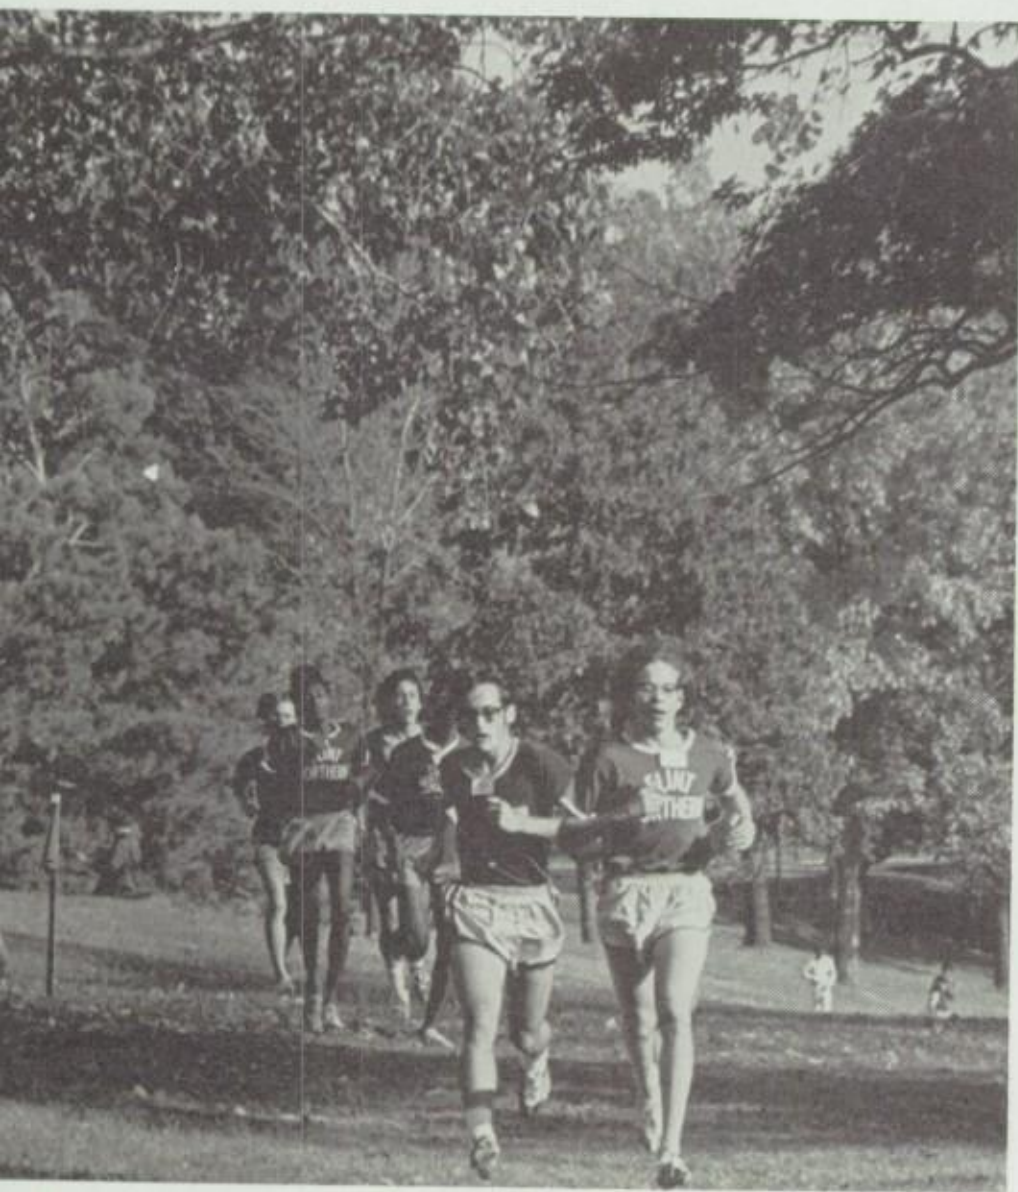

The three main runners for Northern were Murray Edwards, Bruce Towar, and Mark Towar along with Mike Wishart part of the season, and John Darnell and Marvin Higgins.

In the City J.V. meet, Norsemen took 5 out of the first 8 places. At the Owosso Invitational, they won with a low point total of 29.

For Northern, the first place spot was pretty well spread around. Stan Langston took first to beat Central, Bruce Towar took a first against Midland and Midland Dow, and against Pontiac Central placing second through sixth were Marvin Higgins, Murray Edwards, Stan Langston, Mark Towar and John Darnell.

Trackmen have Winning year

Anthony Brown and Steve Varner were the co-captains for Northerns' 1974 track team, coached by Mr. Norb Badar.

The Vikings were the best in the city, and placed better than any other area class "A" school by finishing eighth in the state. In that state meet, Anthony Brown finished second in high jump, it was very close though, Brown went neck and neck throughout the meet with Darrell Williams of Grand Rapids. Brown jumped 26 times in that meet, he usually jumps 12 or 13 times, his day ended in a jumpoff between him and Williams at 6' 9". Williams cleared the bar, after he and Anthony Brown had both missed three times. Keith Young was one of three Flint area champions, Young took a first in the half mile, in 1:53.7.

Senior goaltender Bob Mcphillmy finished the season with a goals allowed average of 6.00.

The leading scorer for Northern was Scott Kennedy with a total of 60 points.

Behind him was Cliff Hobson with 42 points, third highest was Kevin Goss with 40.

Northern also had a hockey team in the summer high school league, Veenhuis' club tied Grand Blanc for first place.

Captain of the team was senior Cliff Hobson.

The members of the team at the end of the year; Brian Mortenson, Dan Traywick, Bob McPhillimy, Mike Sark, and Mike Bastion best of the golfers with an average of 83.0.

The Varsity was coached by Mr. Jim Polites, who said that this year's was probably the worst in ten years, and that he is hoping for a better season next year.

Going against teams in the general area, Northern lost to Southwestern once, beat Northwestern twice, and lost to Flushing twice, these were individual meets.

Golf teams finish Below .500

Northern's '74-'75 Junior Varsity golf team finished its first year with a 5-11 record, and third of 21 teams in the regional tournament. The Varsity squad finished third in the city with an 8-11 win loss record.

J.V. coach Art Lokkins said "It was a rebuilding year", and now with the presence of a J.V. team, this should strengthen Northern's golf program, because now more people could try out for the Varsity team.

The Varsity coach was Mr. Polites and Mr. Lokkins was the J.V. coach both teams finished the season under .500.

There was only one person on the team [Varsity] that is a returning letterman, Mike Sark.

Vikings take District, regional

Northern's varsity baseball team defeated Davison 3-2, and Grand Blanc 4-2, giving the Vikings the 1974 district championship.

Sporting a 17-12 over all season record, Northern tied for second in the city, along with district and regional titles.

Northern received fine pitching in the district matches, John Pines threw against Davison allowing only six hits, while striking out eight. In the championship tilt, Stewart Smith scattered four hits and struck out three of Grand Blanc's batters. Viking bats were hot in the districts. Bill Adams's crew rapped out eight hits against Grand Blanc, and nine against Davison. Jim Orr connected five out of six times at bat in the two playoff matches.

JV baseball team Displays talent

The 1974 Northern junior varsity baseball team ended the season with record of 11 wins and 13 losses.

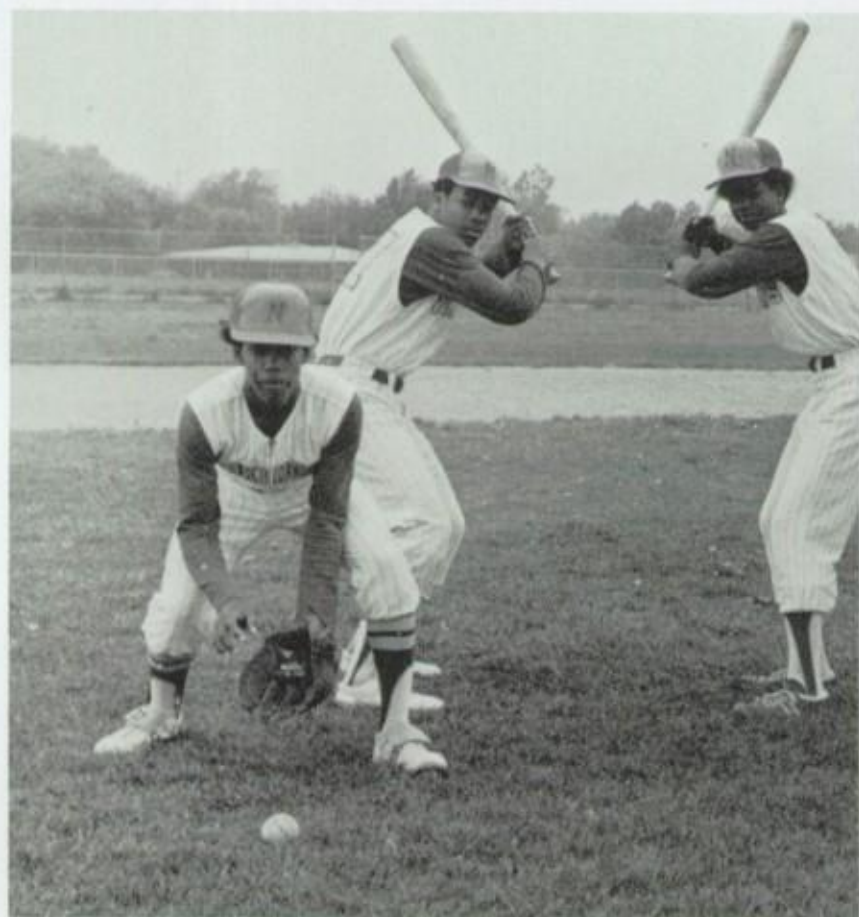

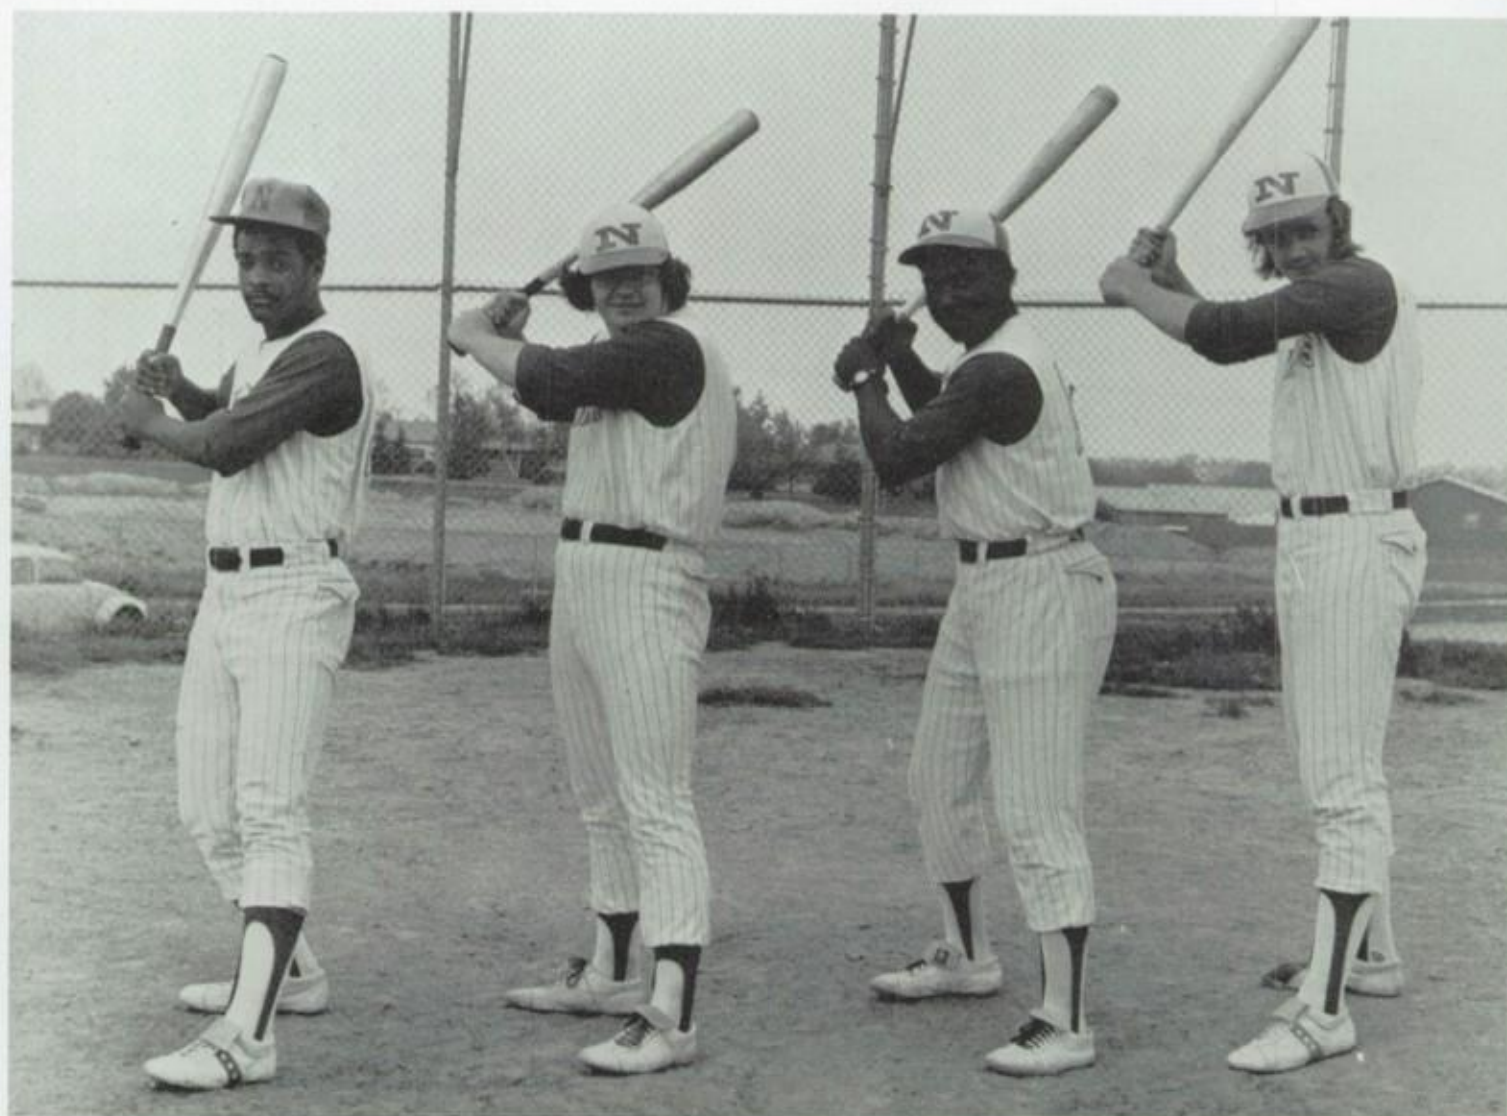

Ken Fowlers' club placed third in the city race, but finished second in the West division of the Saginaw Valley conference. From high atop pitchers mound Bill Leix [4-3], had the best earned run average, 1.800. Dan Marmee struck out 63 hit hopeful opposing batters.

Viking hitters were led by Ricky Baskin-.426, Bill Leix-.350, Brian Mortenson-.317, and Don Durrett-.329.

Three J.V.'s showed enough improvement of their abilities, and near the end of the season were moved up to the Varsity squad. They were Don Durrett, Brian Mortenson and Bill Leix.

Netters second City and Valley

Northern's 1974 tennis team coached by Mr. Ed Krupa had a record of nine wins and two losses, and took second in the city and second in the Valley.

The team was comprised of all juniors, the captain of the team was Sue Bland, she was also the #1 single tennis player. Cliff Hobson was #2, Ted Szczepanski was #3, Marty Schroeck #4, and Mark Kohout was #5 along with being chosen the most improved on the team, Marty Schroeck was the MVP.

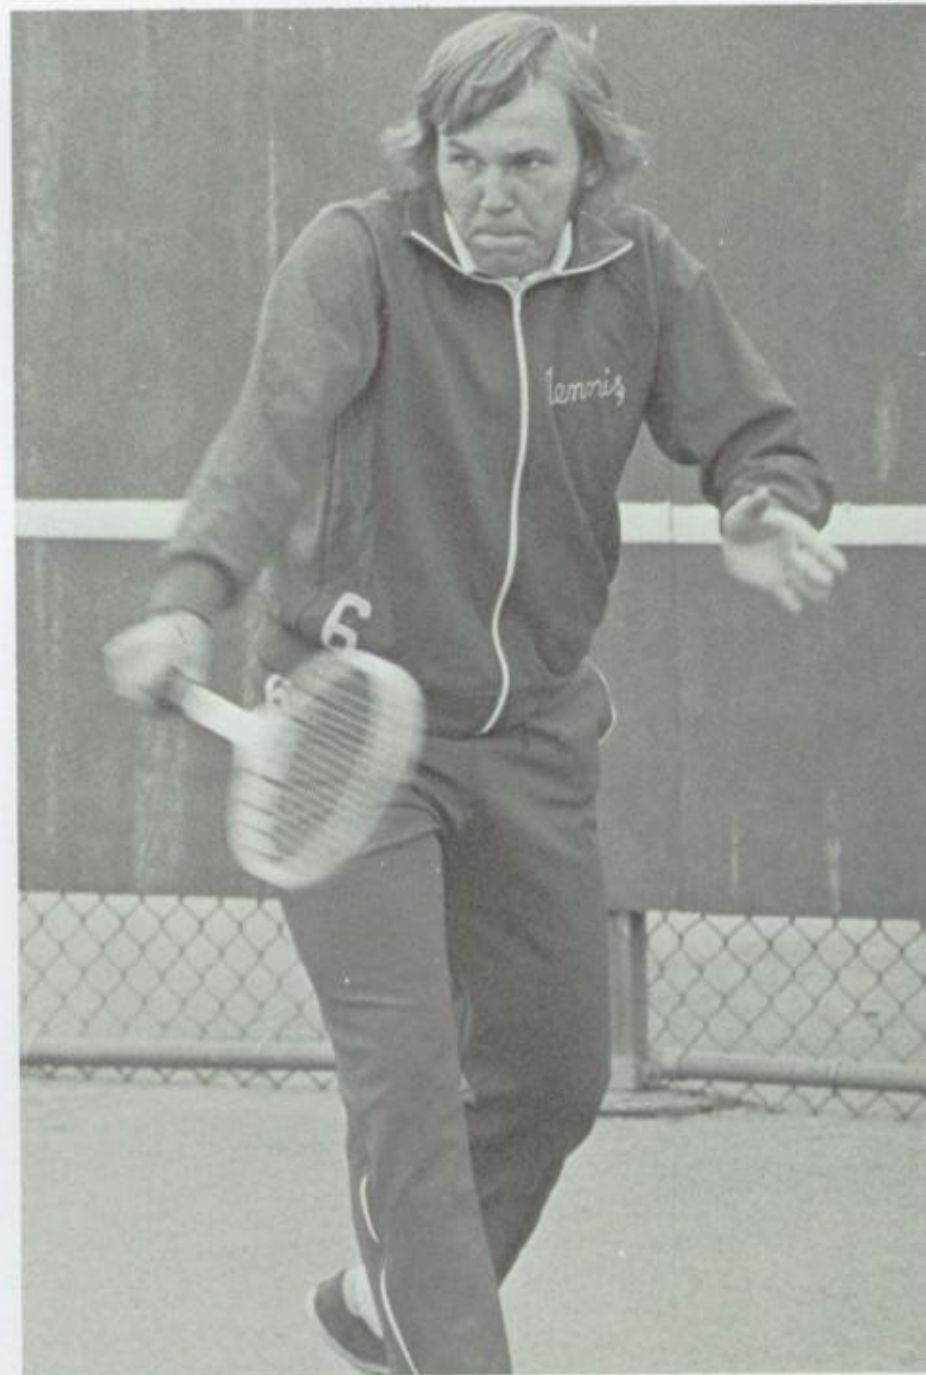

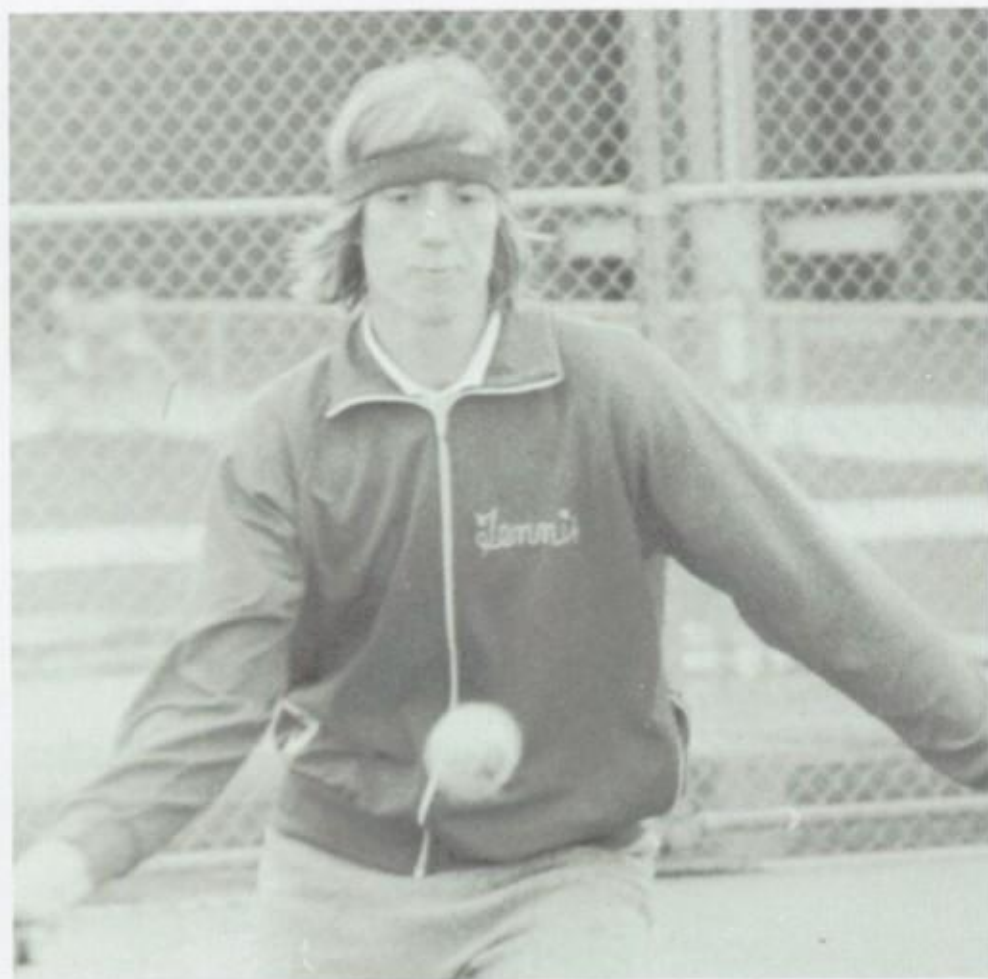

The doubles teams consisted of; Bob Fontana-Paul Jarboe, Joe Hammerburg-Gary Gilbert, they were both above .500.

This all veteran team returns in 1975, and coach Krupa says you can look for many champions, and that Northerns' team will be very representative.

J.V. netters Keep pushing

Once again there was enough interest to have a 1974 J.V. tennis team at Northern.

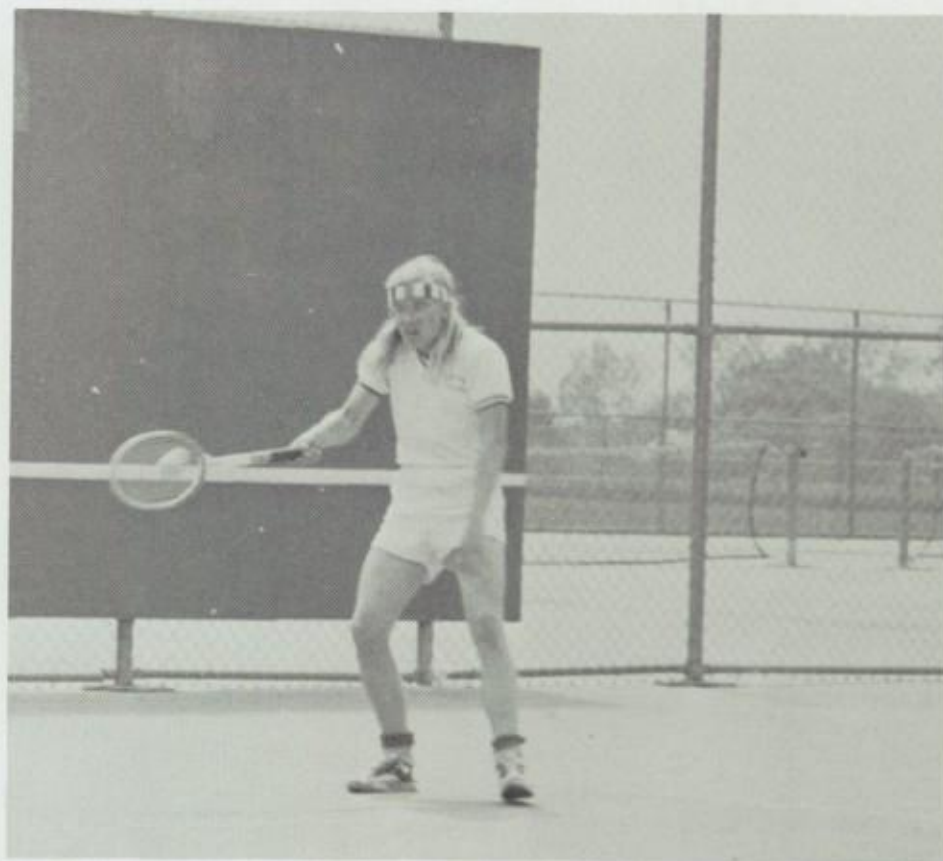

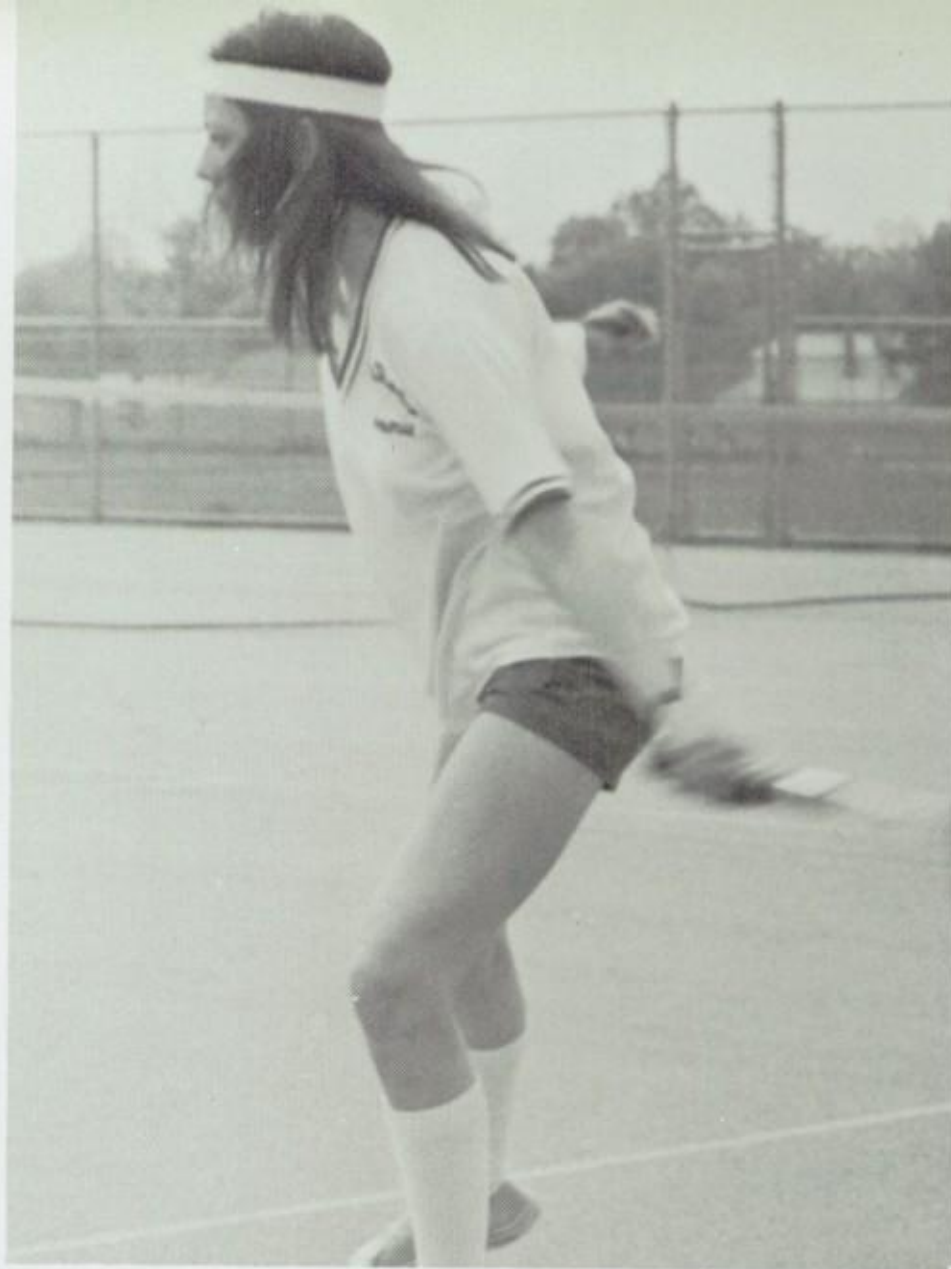

The J.V. members worked very hard, and Randy Thompsons' club finished the season with a record of three wins and four losses, poor weather conditions kept the squad from playing as many matches as had been slated.

Northern didn't play any city schools, and there were no City, Valley, District, etc. championships as such. The teams they did go up against were the J.V.'s from Hamady, Carman, Flushing, Owosso, and Ainsworth.

The leading player on the team was Chris Rozyla, he is a good prospect for the Varsity team.

Grapplers place 2nd in regionals

Northern's 1974-1975 wrestling season was most impressive compared to the last couple of years. Co-Captains Ronnie Childress with a record of 35-3 and Rick Rathke, 36-10, led the team to a seven and two dual meet record. The Viking won the Flint Central Invitational. Placed second in the Northern Invitational, the city, the valley and Regionals, besides taking third in the Districts. Ronnie Childress topped off the season by placing third in the State Meet.

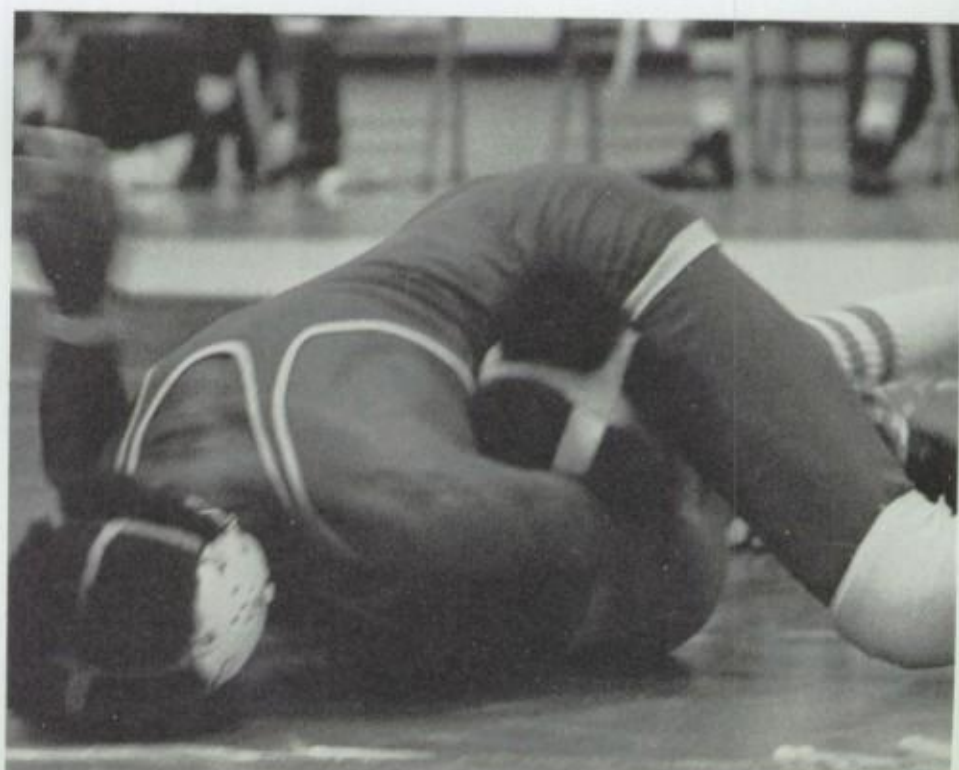

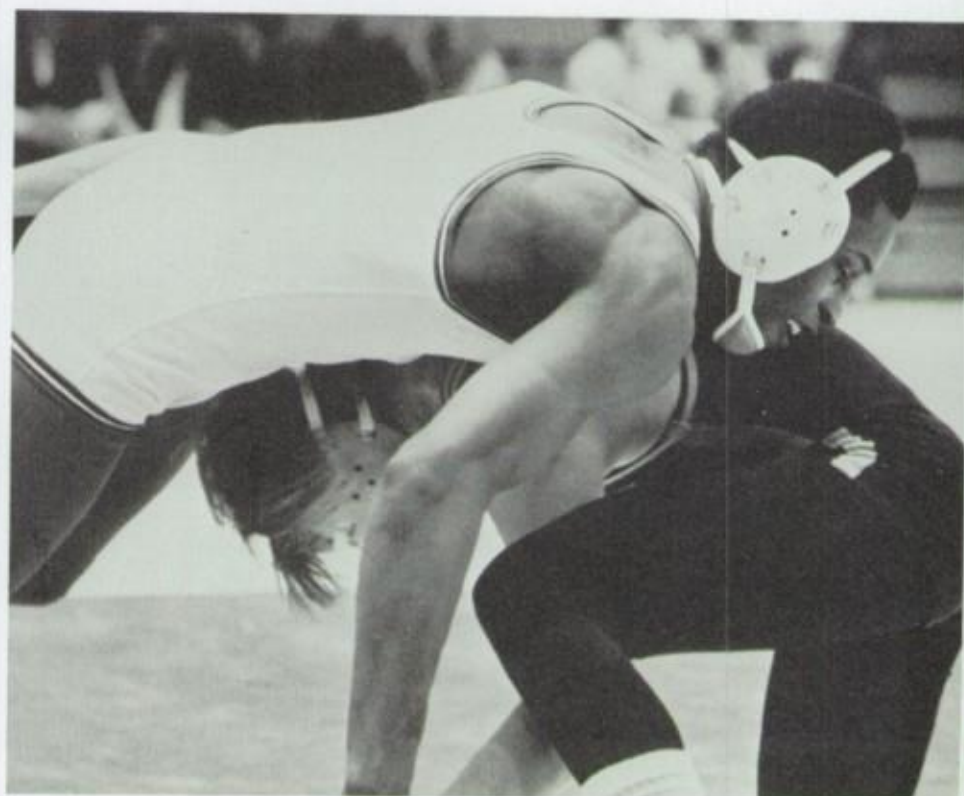

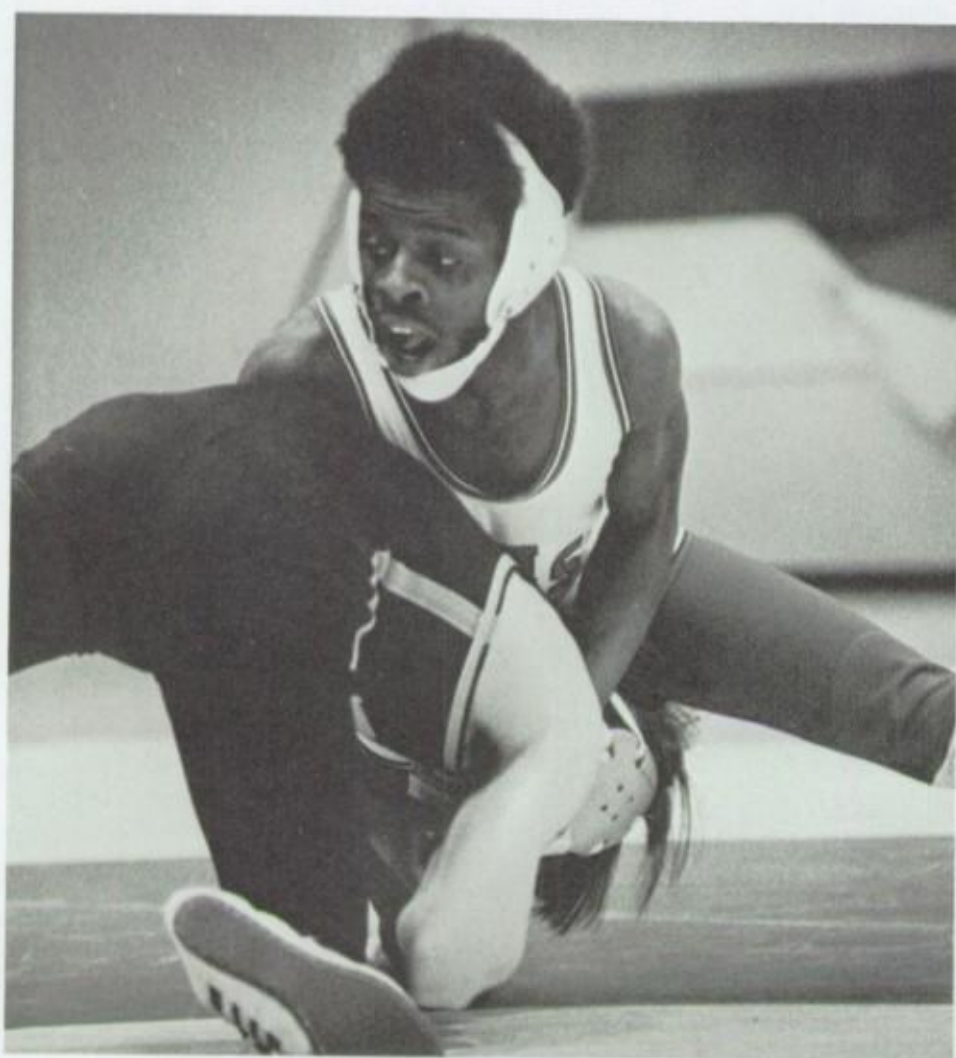

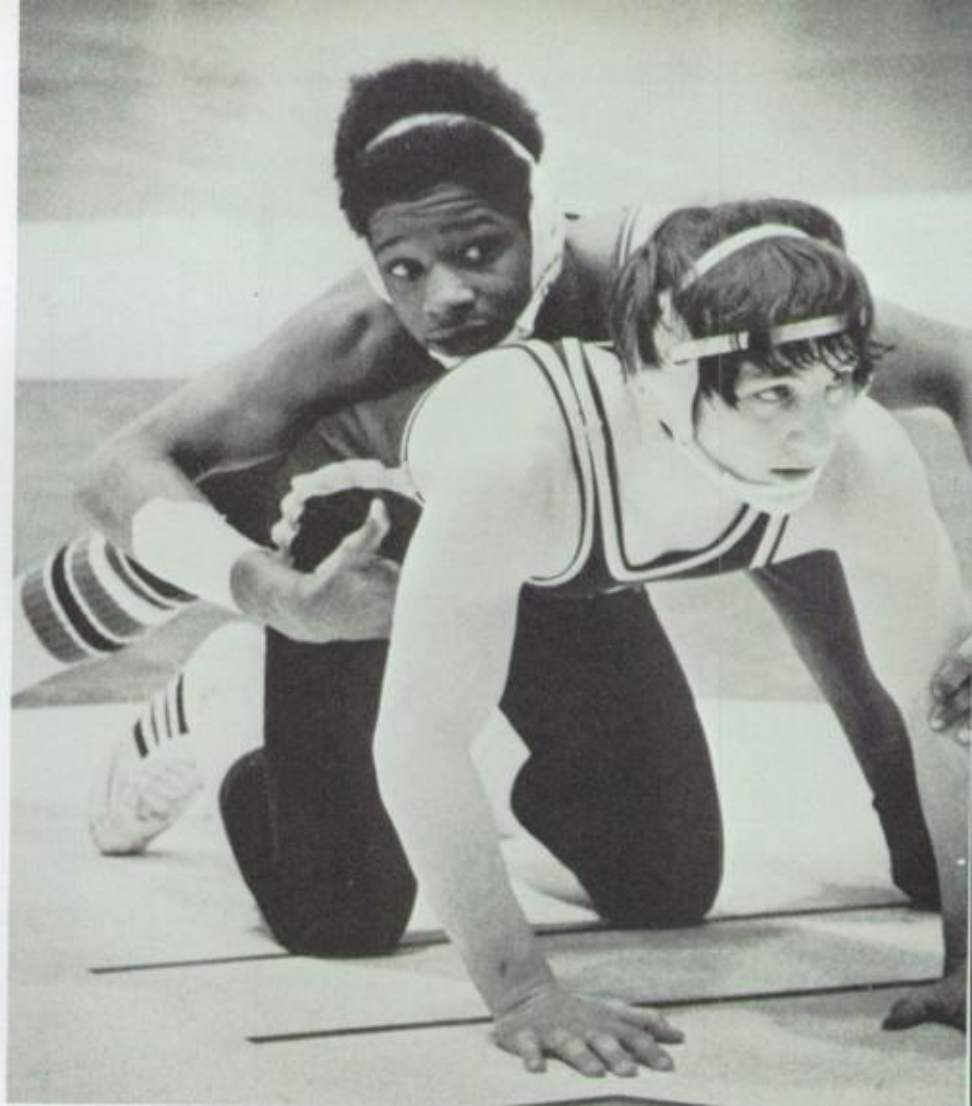

Outstanding wrestlers such as Asa Jones, Hershall Tolbert, James Allen, Eric Versey, Wendell Thompson, and Gary Greene will be top contenders next year who will continue the Viking spirit of a winning attitude.

Wrestlers have Winning season

The 1974-75 Junior Varsity wrestling team ended its season with a 3-4-0 record. Coach Pete Stableford had a small and inexperienced team. However, these wrestlers gained a lot of experience through Coach Stableford's guidance.

Two outstanding sophomore wrestlers, Anthony Sullivan who finished 10-0, and Brady Davis who finished 7-0, along with Casey Jones, Sylvester Smith, Don Lane, Rodney Davenport, Jerry Galloway and James Simms should be an asset to the Varsity team next year.

This year was another rewarding year of development and organization for Coach Stableford and his inexperienced team. Next year's team should prove to be very promising.

Varsity cagers Stress defense

A very exciting season saw Bill Troesken's varsity basketball team finish 2nd in the city with a 4-2 win-loss record, and end up third in the Valley West conference, 6-4. The Vikings overall record was 13-9, this was Troesken's second year at Northern.

Three year veteran Jerome Huddleston was the leading rebounder, "Doc" also was selected to the all-valley first team. Junior Ricky Baskin was second in rebounding, and was the team's top scorer.

Baskin and Calvin Leslie were voted to the all-valley second team. Huddleston and Leslie followed Baskin on the scoring list. Northern was eliminated in the second round of the district playoffs, by Flint Northwestern.

J.V. basketball coach Dave Jacobs finished his fifth season at Northern with a final win-loss record of 17-3.

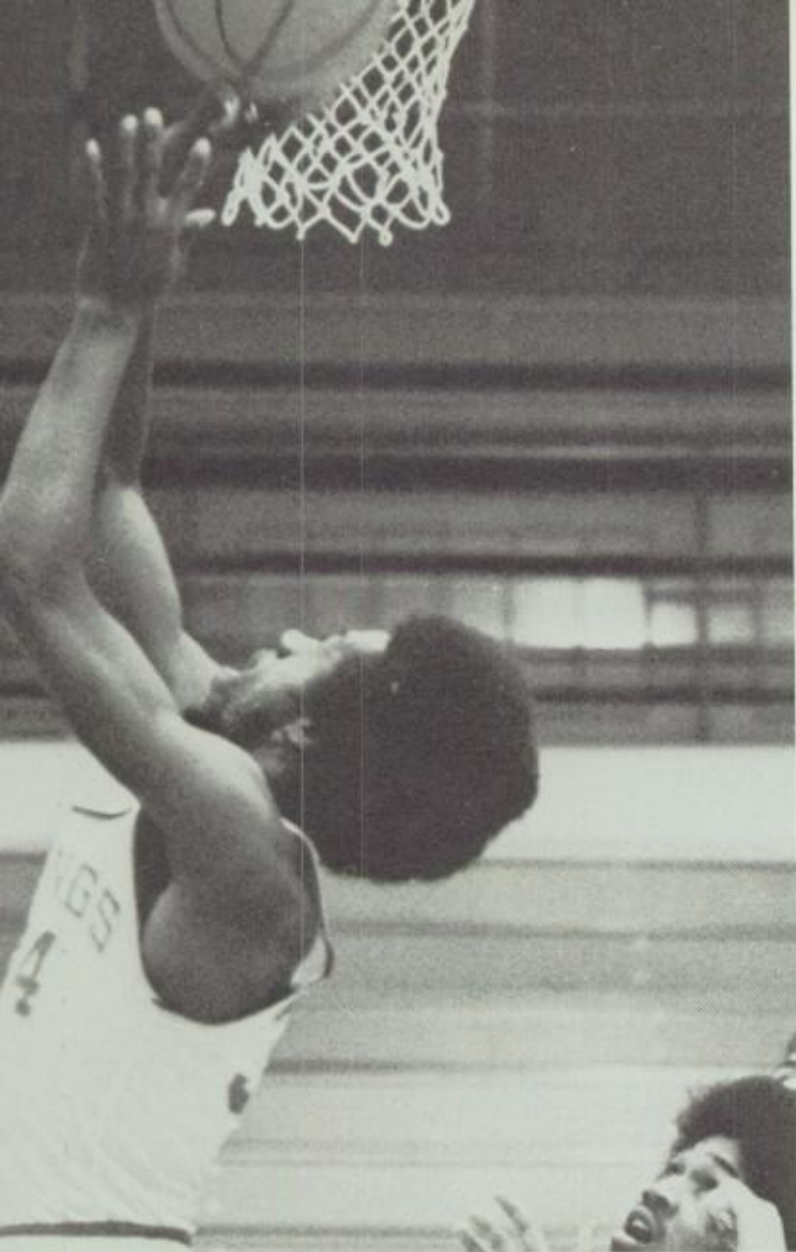

They had won their first 12 straight games before suffering their first defeat. The Junior Vikes shared the top spot in the city with Northwestern and Southwestern. Pontiac and Northwestern tied Northern for the Valley championship. Jacobs' club had 66.8 points per game average offensively, and 44.2 ppg. defensively.

Leading the juniors in scoring was Alton Peacock, he averaged 16 points per game. Averaging 14 points per game was Dwight Morse, the second highest scorer.

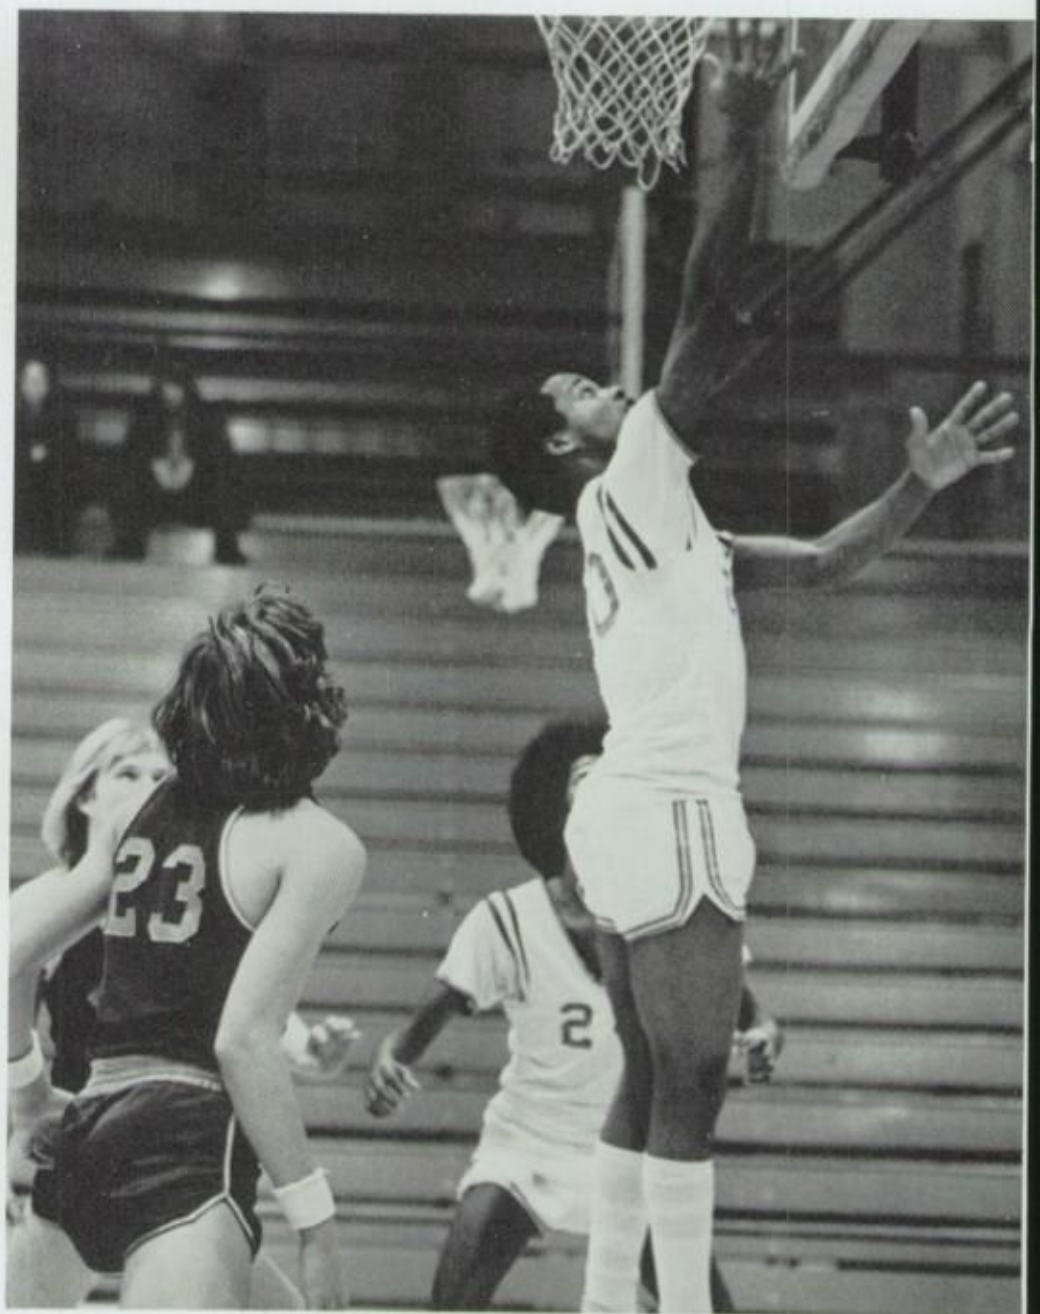

Peacock and Morse were also Jacobs' top two rebounders. Coach Jacobs' career win-loss record now stands at 35-5.

Soph cagers Finish 16-0 season

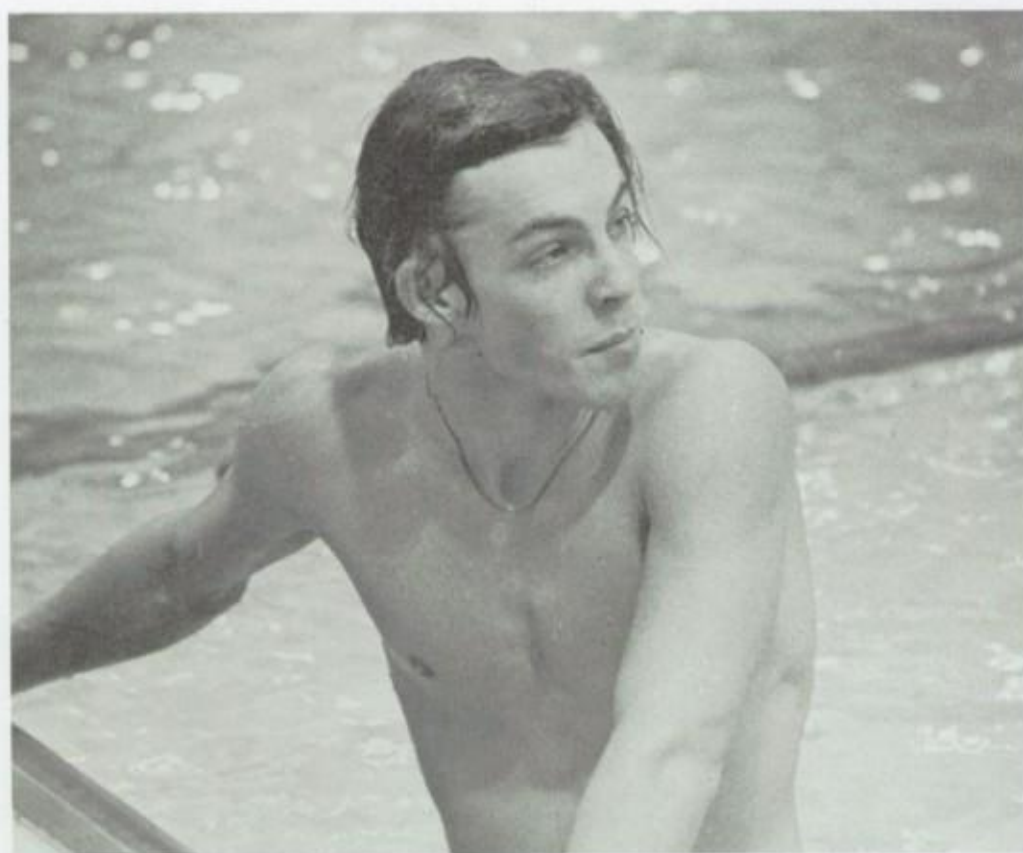

The Viking sophomore basketball team had a perfect 1974-75 season, and came in first in the city with a 16-0 record. This was coach Clyde Bell's first year of coaching, fresh out of Olivet college after graduating from Flint Northwestern.

He received advice from J.V. and Varsity coaches Dave Jacobs and Bill Troesken, and he also did some outside reading for improving his techniques and strategies.

Gabriel Martin was the quarter back for the sophs, the leading rebounder was Mike Beasley, also strong along the boards was Matt Custack and James Coleman. Michael Ivory was the best ballhandler on the club. Mr. Bell told his sophomore cagers, "respect everyone, but fear no one".

Swimmers take Second in city

Craig Thurston and Matt Ashurst were the co-captains for Northern's 1974-1975 swim team, coached by Mr. Jack Marlette.

The team was very young, comprised mostly of sophomores and was led by Matt Ashurst in the morale department. Craig Thurston was the only Viking city champ, he won 100 yd. freestyle event.

Along with the co-captains, Eric Revis, and Dave Casadonte were the top four swimmers.

According to Marlette, the team had a lot of depth, when they won they did it by taking many seconds and thirds, instead of a few firsts. The tankers placed second in the city, and fifth in the Valley standings. Dennis Bourque and Dave Wilson were two very improved swimmers.

Female cagers Beat Southwestern

TOP LEFT: Gail Keith, Cynthia Duncan, and Denise Woods try their luck at basketball against Southwestern. CENTER: Gail Keith, and Cynthia Duncan jump at the chance to make a basket. LEFT: Basketball is more of a skill than a game to someone like Rita Jackson, left and Sharon Lewis, right. TOP RIGHT: Left to right, Connie Trnka, Jolene Kerry, Sharon Lewis, and Rita Jackson stick together when it comes to basketball. ABOVE: Left to right, LaDonna Jones, Sharon Lewis, Connie Trnka, Jolene Kerry, and Rita Jackson show Southwestern who is the best.

TOP: Linda Cheeks, Diane Fletcher, LaDonna Jones, Stella Stephen, Connie Trnka and Sharon Lewis show enthusiasm during a game. TOP RIGHT: Rita Jackson goes for two while Tracey Whaley looks on. RIGHT: Leigh Ann Hayden and Cynthia Duncan wait for a rebound. ABOVE: Cynthia Duncan passes to Stella Stephens.

Female cagers Take districts

Miss Dorothy Kukulka coached the girls' basketball team into a successful season of 12 wins and 4 losses.

This year, there was only one varsity team which had to be split in order to play opponents with J.V. teams. This second team played 6 games.

In the regular season, Northern played all the city schools twice. During the tournament play-offs, Northern beat Flushing, Northwestern, and Beecher to take the District Champion Trophy. The Regionals were held here at Northern where the girls were finally defeated by Carman.

Northern has had an exceptional season, considering that most of the opponents were experienced teams. Co-captains were Martina Thompson and Denise Woods.

TOP: Gail Keith drives to the basket. ABOVE: Standing [left to right] Tracey Whaley, Rita Jackson, Diane Fletcher, Regina Tucker, LaDonna Jones, Connie Trnka, Sharon Lewis, Patti Swartz. Kneeling [left to right] Leigh Ann Hayden, Gail Keith, Martina Thompson, Cynthia Duncan, Denise Woods.

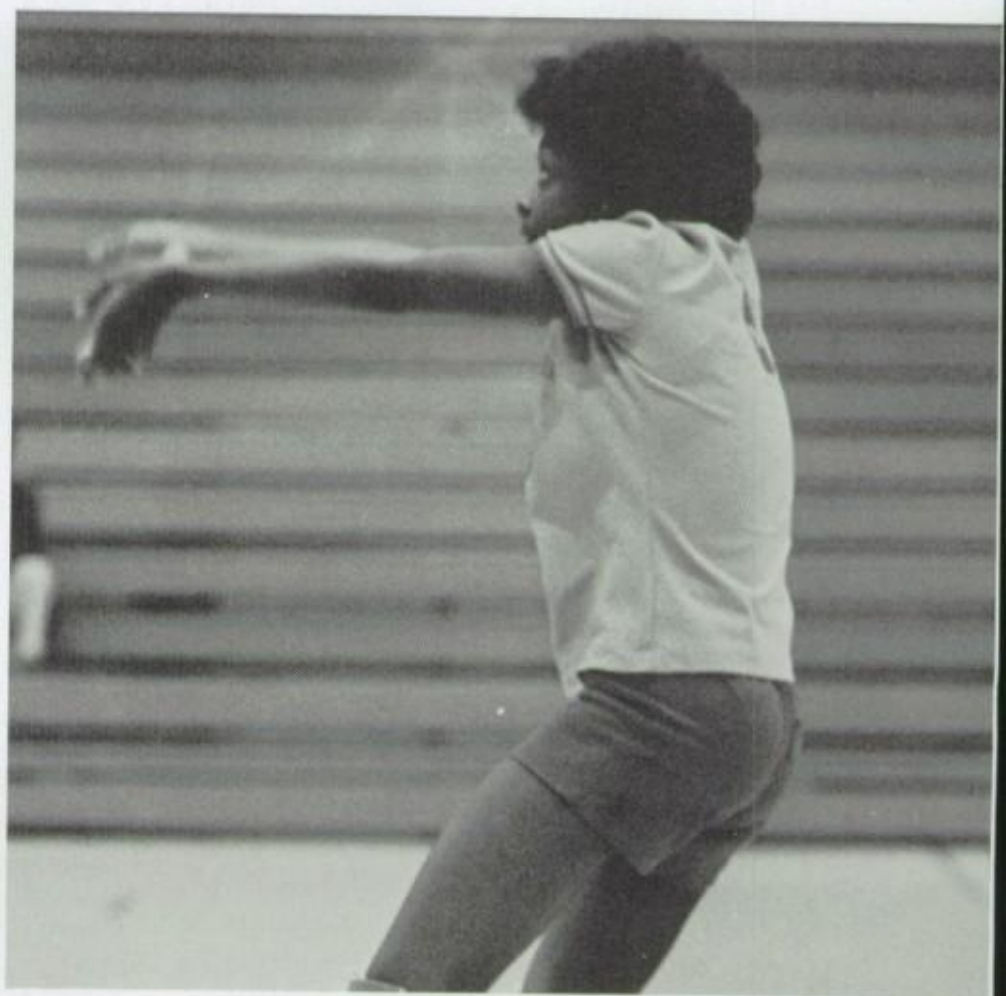

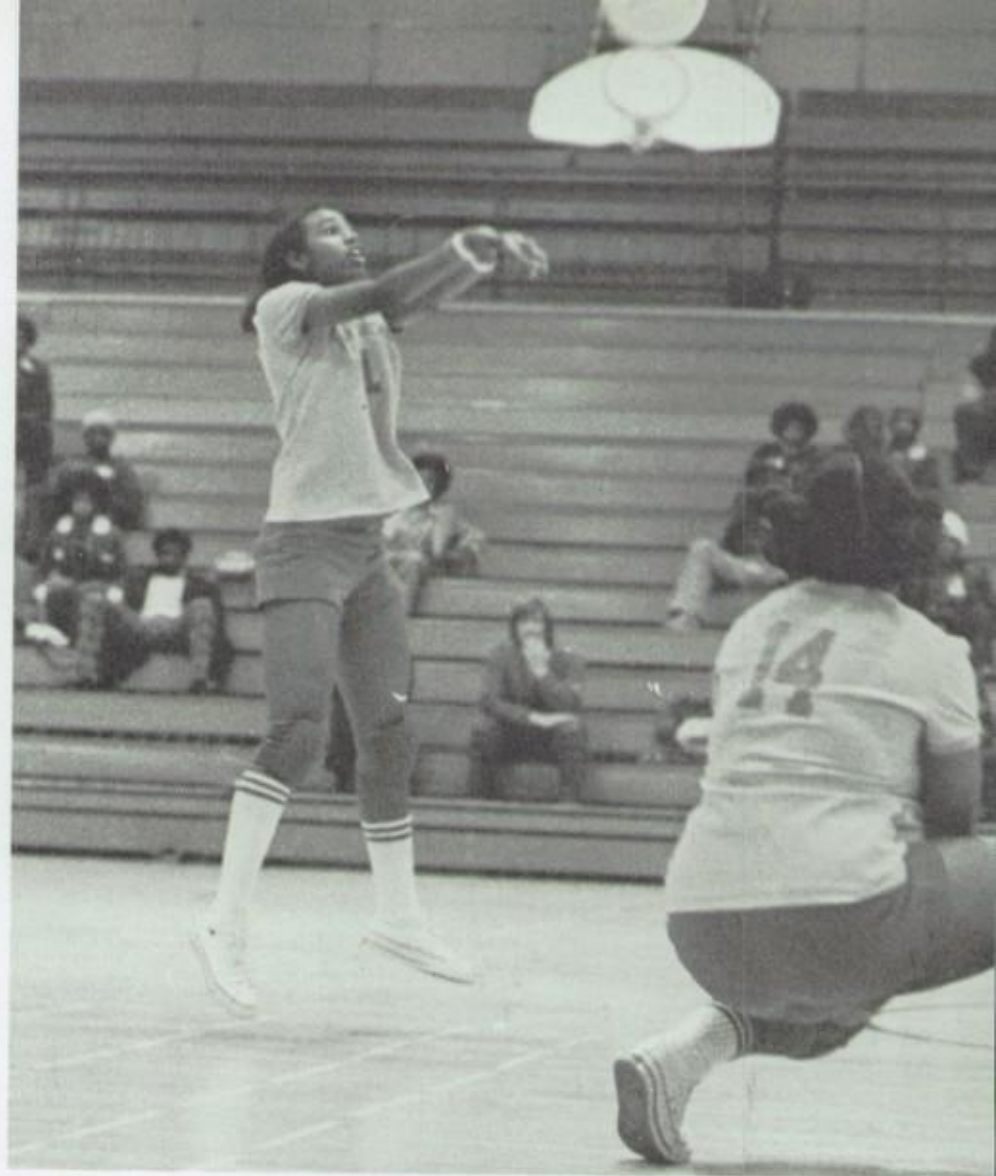

Volleyball team Keeps bumping

The 1974-1975 volleyball team was comprised of all juniors and sophomores, they attained a seven wins three losses regular season record, and came in second in the Northern Invitational.

The spikers came in second in the city behind Southwestern, whom they beat two out of three times.

Jackie Madison was captain, and was one of the top players, along with Kathi Johnson, Cindy Edwards, Nancy Carbin, Kay Turner, and Sheila Hopson. The girls were noted for their ability to play as a total team.

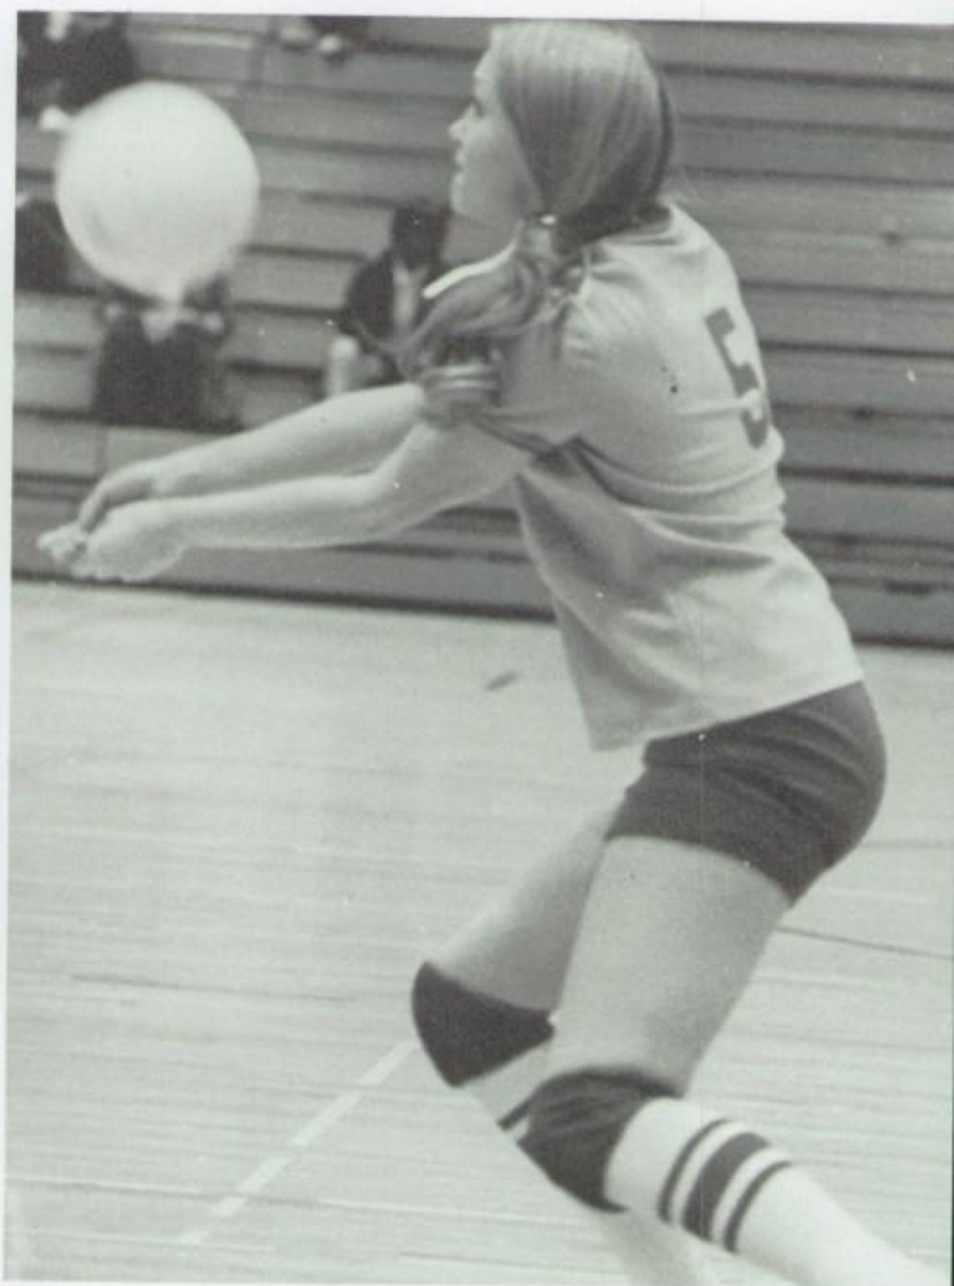

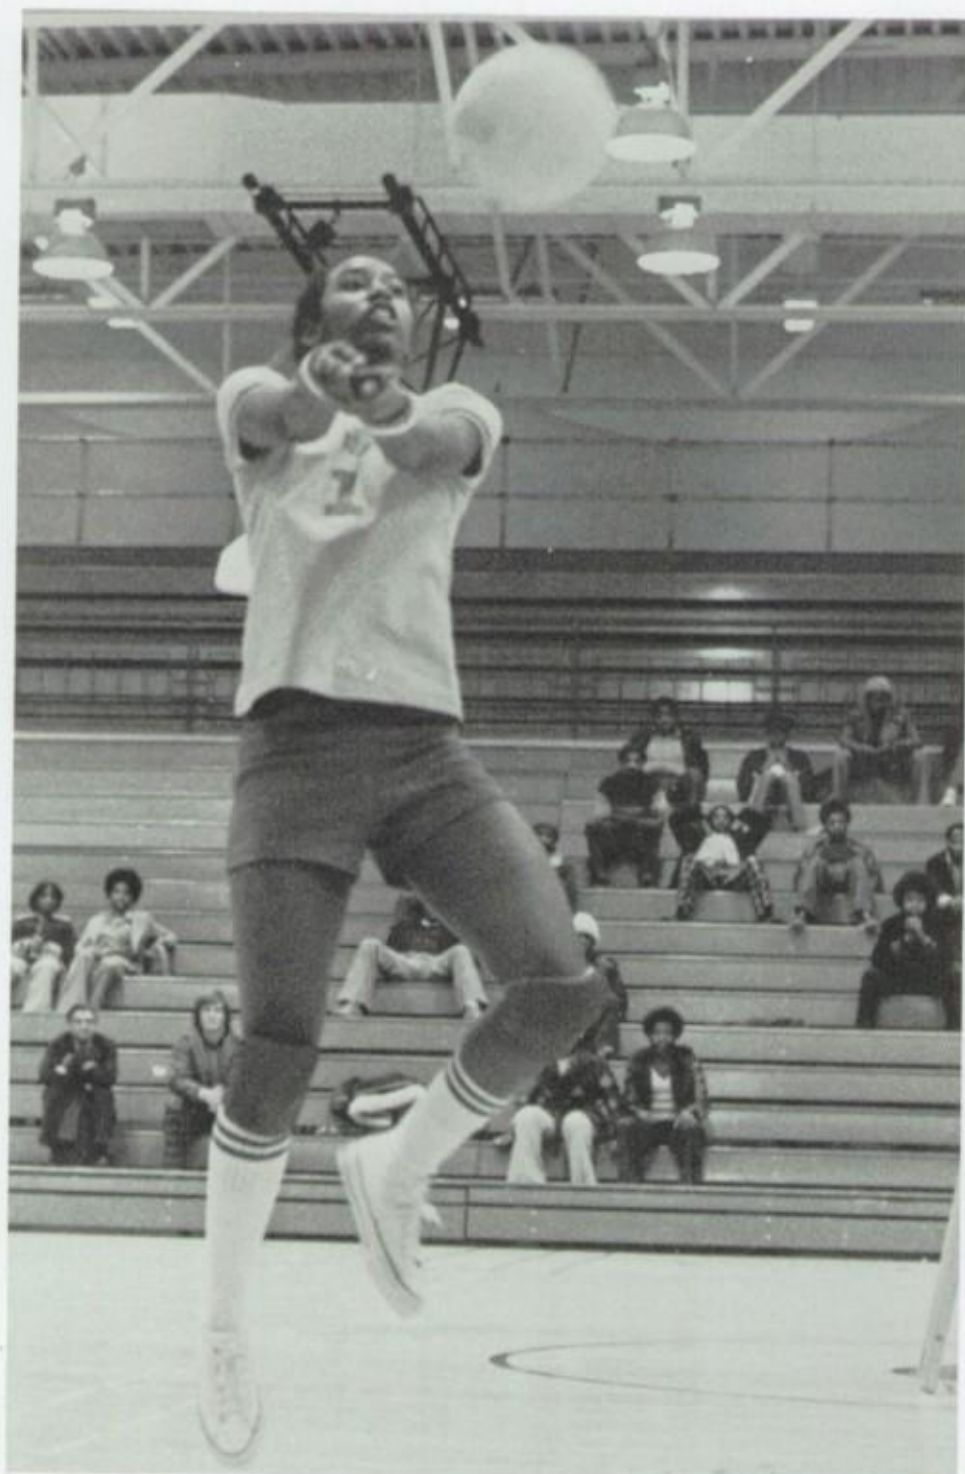

If coach Margaret Johnson's philosophy of volleyball to be employed in her coaching could be summed up into two words, they would be: spirit and aggressiveness.

UPPER RIGHT: Jackie Madison bumps the ball over the net while Cynthia Edwards looks on. LEFT: Sheila Hopson prepares herself for an oncoming ball. ABOVE: Onrea Green hits the ball over.

Team Shot: Back row L to R. Jackie Johnson, Cynthia Edwards, Jan Gray, Kathi Johnson, Cindy Markland, Onrea Green, Arnetta Kimble, and Coach Johnson. Front row L to R, Denise Massar, Sondra Huddleston, captain Jackie Madison, Nancy Carbins, Kay Turner, and Sheila Hopson. Left: Jackie Madison spikes the ball as Nancy Carbins stands by. ABOVE: Gail Wright hits the ball as Cynthia Edwards prepares to give help.

Girls' track 13th in state

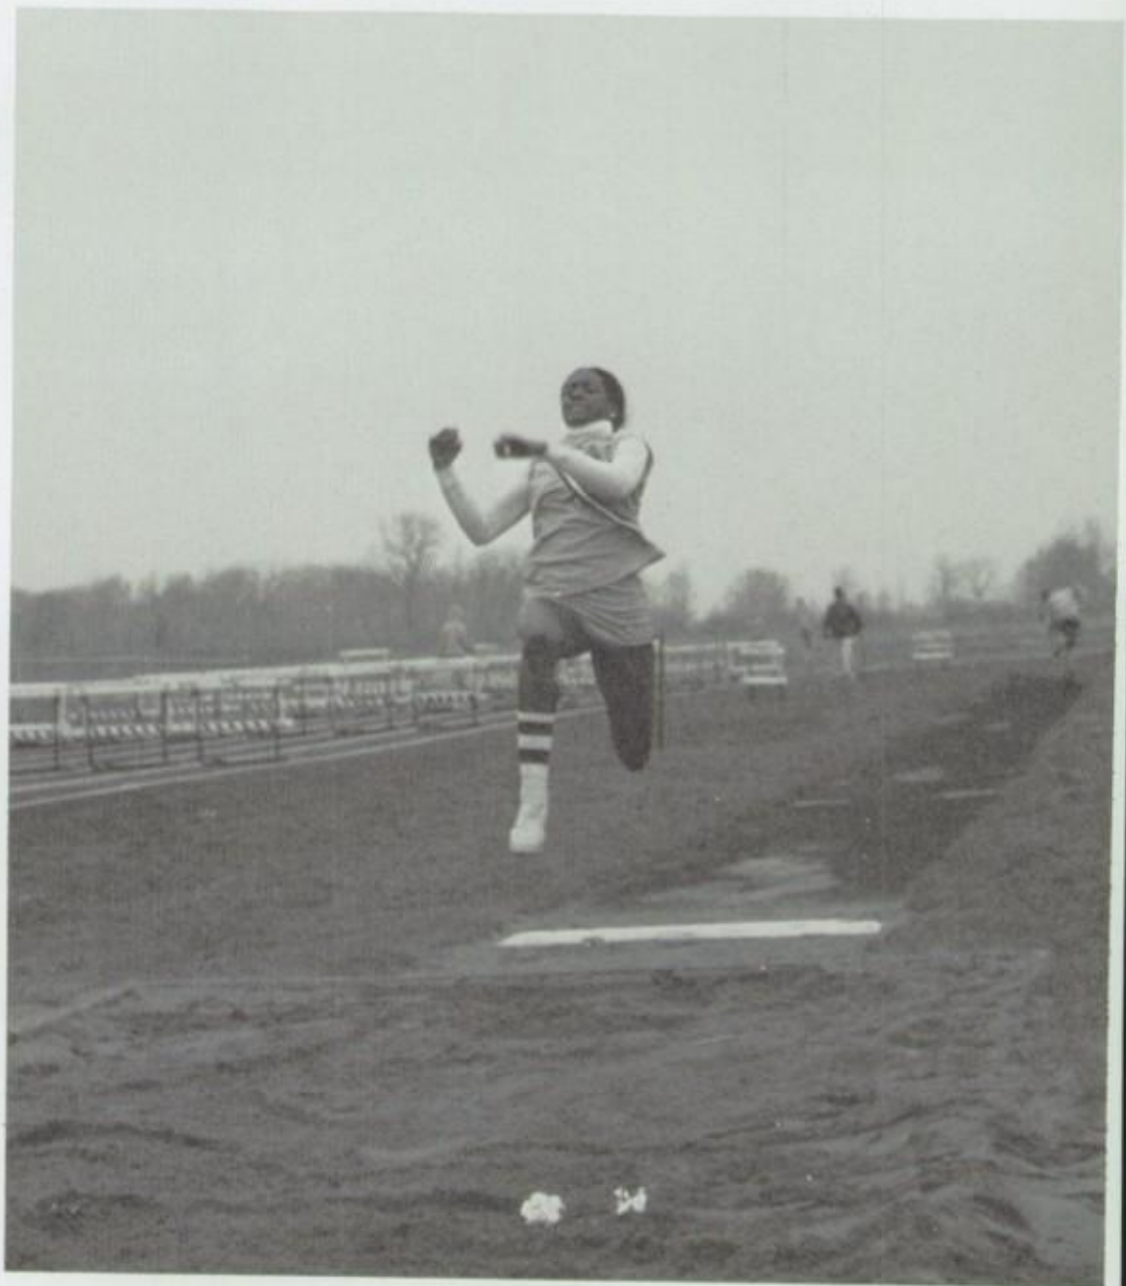

The first season of the Girls' Track team was an unexpected success. Mr. Wayne Jeffries coached his team members to work hard and the desire to compete.

The Girl's track team had a 5 and 1 season, placing 3rd in the city meet and 13th out of 120 competitors in the State meet. The girls that performed in the state meet set a record of 49.1 for the 440 relay. The girls were Kay Turner, Sheila Hopson, Elaine Hamlin [also setting a record for the 80 yard hurdles], and Lucinda Price [setting a record in the 100 yard dash competition].

Coach Jeffries' budding team ended up with 19 girls. They were all mostly sophomores with only three seniors, who were all very competitive.

Student Life

Man hath a weary pilgramage
As through the world he
 wends,
On every stage, from youth
 to age,
Still discontent attends;
With heaviness he casts his
 eye
Upon the road before,
And still remembers with a
 sigh
The days that are no more.

Involvement is key To student life

Students spent hours outside of school involving themselves in various activities. They were filled with fun, excitement, disappointment, and hard work. From relaxing with friends, to working at jobs after school, from exuberance at a football game, and to disappointment after a defeat, all made for many memorable experiences.

Friendship and closeness will enrich many student's memories of their high school student life. This is also what makes student life fun and worthwhile.

Responsibility and involvement allowed students to express themselves through extra-curricular activities. Hobbies and interests were also developed and enjoyed during this time.

LEFT: Dave Wilson enjoys himself playing a game of hockey. BELOW LEFT: Fred Allen and Toni Doyle pose for a picture at the prom. BELOW: Joan Ackley and Mary Jo Ward chat with Miss Doris Price. The present is mere grass, quick-mown away;
The past is stone and stands forever fast, mak-
ing all futures fruits of all pasts."

Underclassmen

"Hope" is the thing with
Feathers--

That perches in the soul--
And sings the tunes without
the words--

And never stops--at all--

And sweetest--in the Gale--
is heard--

And sore must be the storm

That could abash the little
Bird

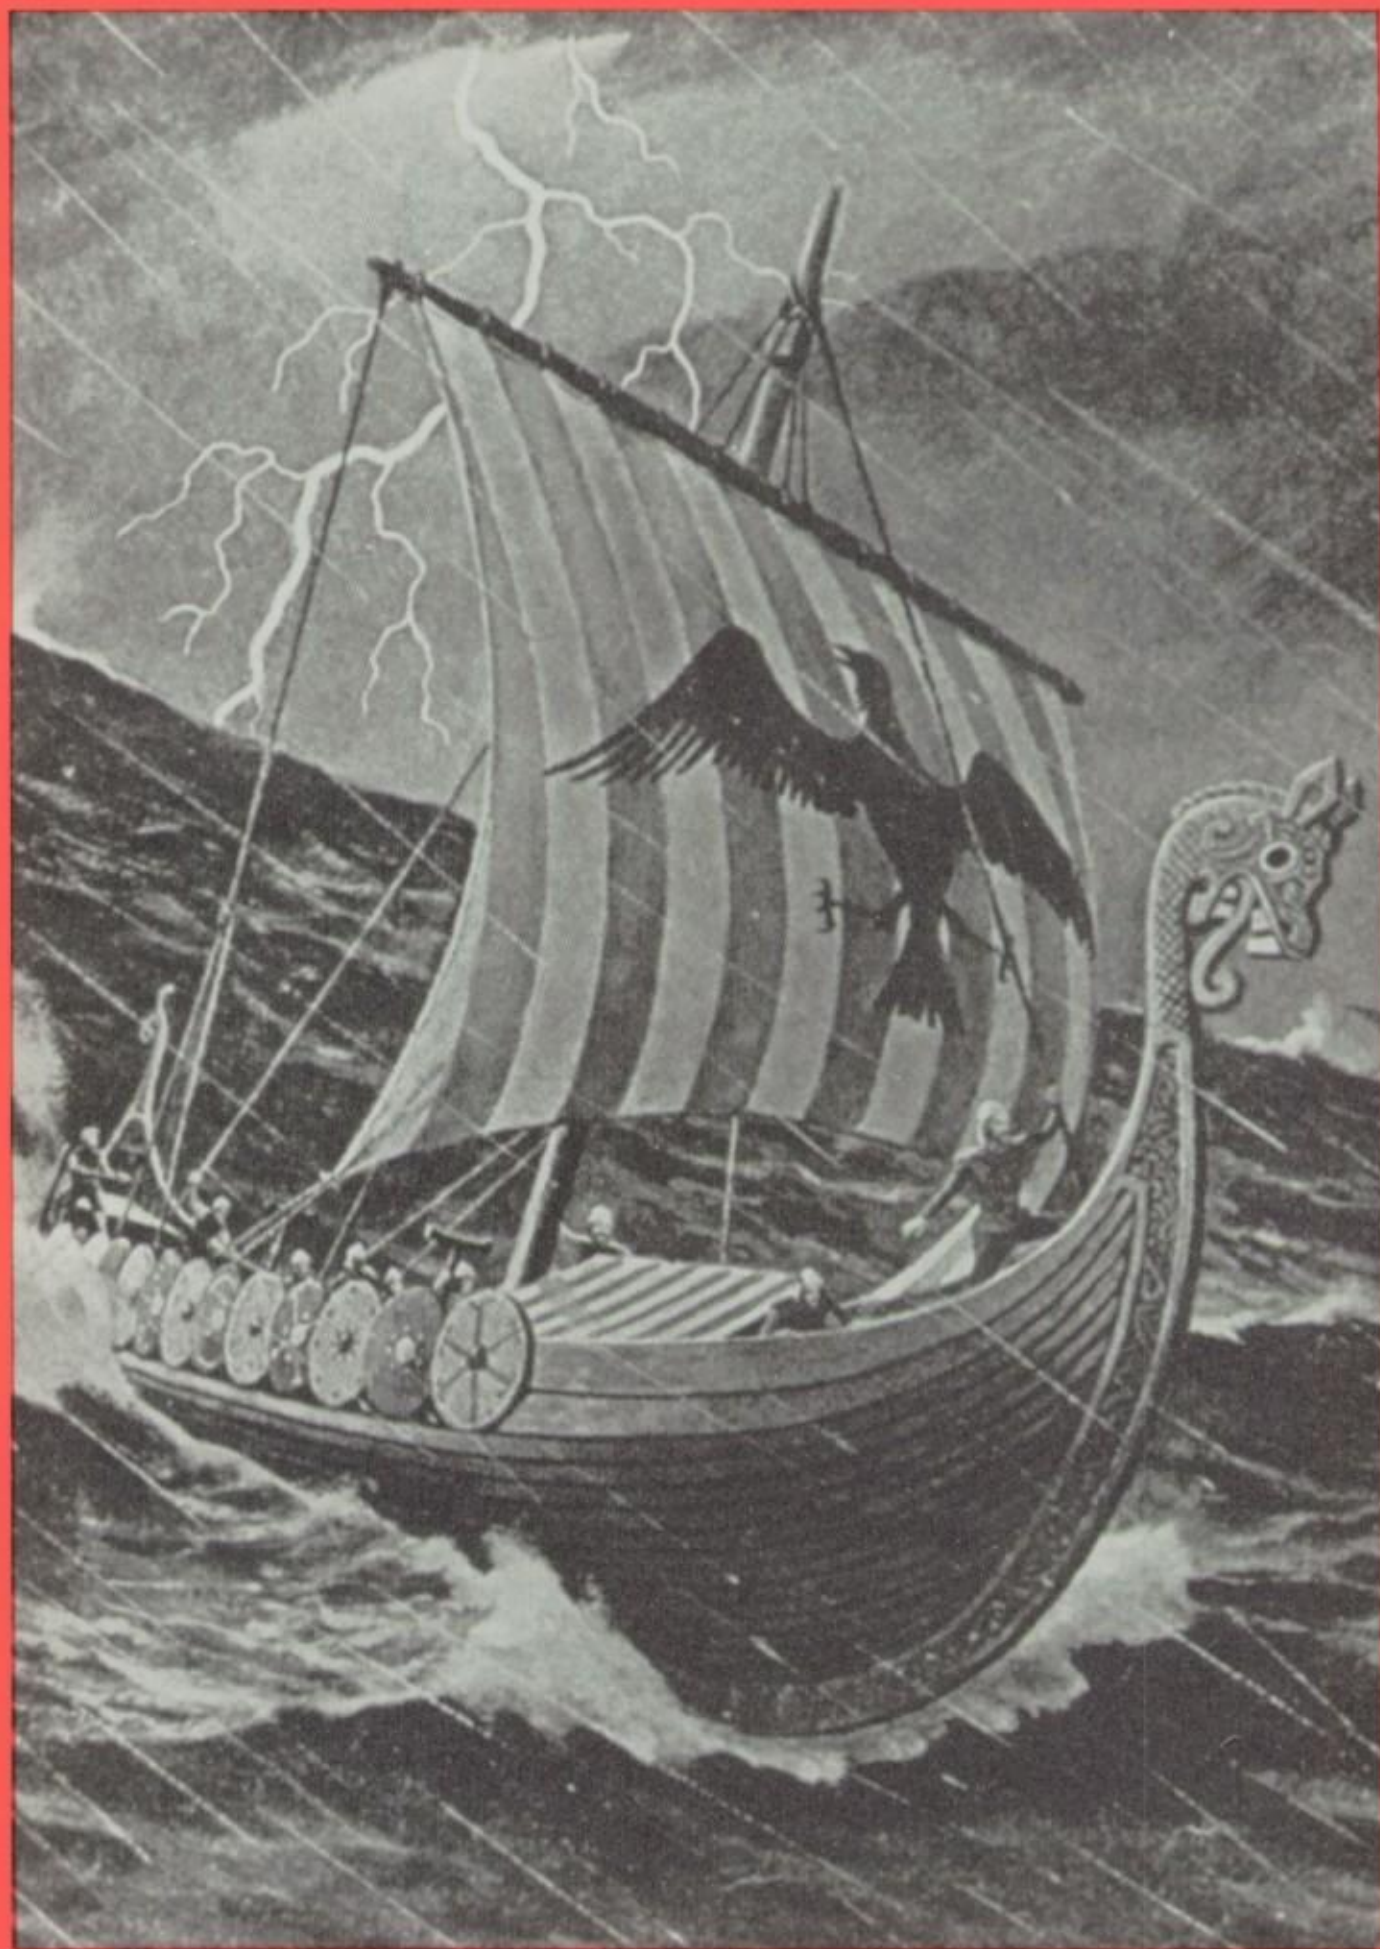

That kept so many warm--

I've heard it in the
chilliest land--

And on the strangest Sea--

Yet, never, in Extremity,

It asked a crumb--of Me.
-EMILY DICKENSON

Sophs explore New world

The students entering their first year of high school found a new world of fun and hard work. The sophomores got together with their advisers and participated in many activities and fund raising projects.

Advised by Mr. Donald Ullman and Mr. Randy Thompson, the sophomores worked enthusiastically on projects to raise funds for their upcoming junior and senior years. Among the projects was the selling of Viking T-shirts.

The officers for this year's sophomore class were: president-Doretha Bell, vice-president-Donnie Townsend, secretary-Elizabeth Provost, treasurer-Russ Ferguson. These people were the leaders of over a thousand sophomores.

Juniors work Hard as officers

The Junior class of 1975 worked very hard to raise money for activities in their Senior year.

Among the many projects were the dances held during the 74-75 school year, and the traditional Junior's Couple Dance. Selling cupcakes and ice cream after school helped supply sufficient funds for these various activities.

The junior class was sponsored by Mr. Rex Carson and Mrs. Denise Moss.

John Blakley was president, Sue Bryant was vice-president, Sonja Johnson was secretary, and Holly McDonald was treasurer for this year's junior class.

The juniors are looking forward to their last year of high school, see many fun filled days ahead of them.

What is life?

Is it a faded rose and a
kiss

And a starlit past?

Is it a sob and a laugh of
bliss with a grove at last?

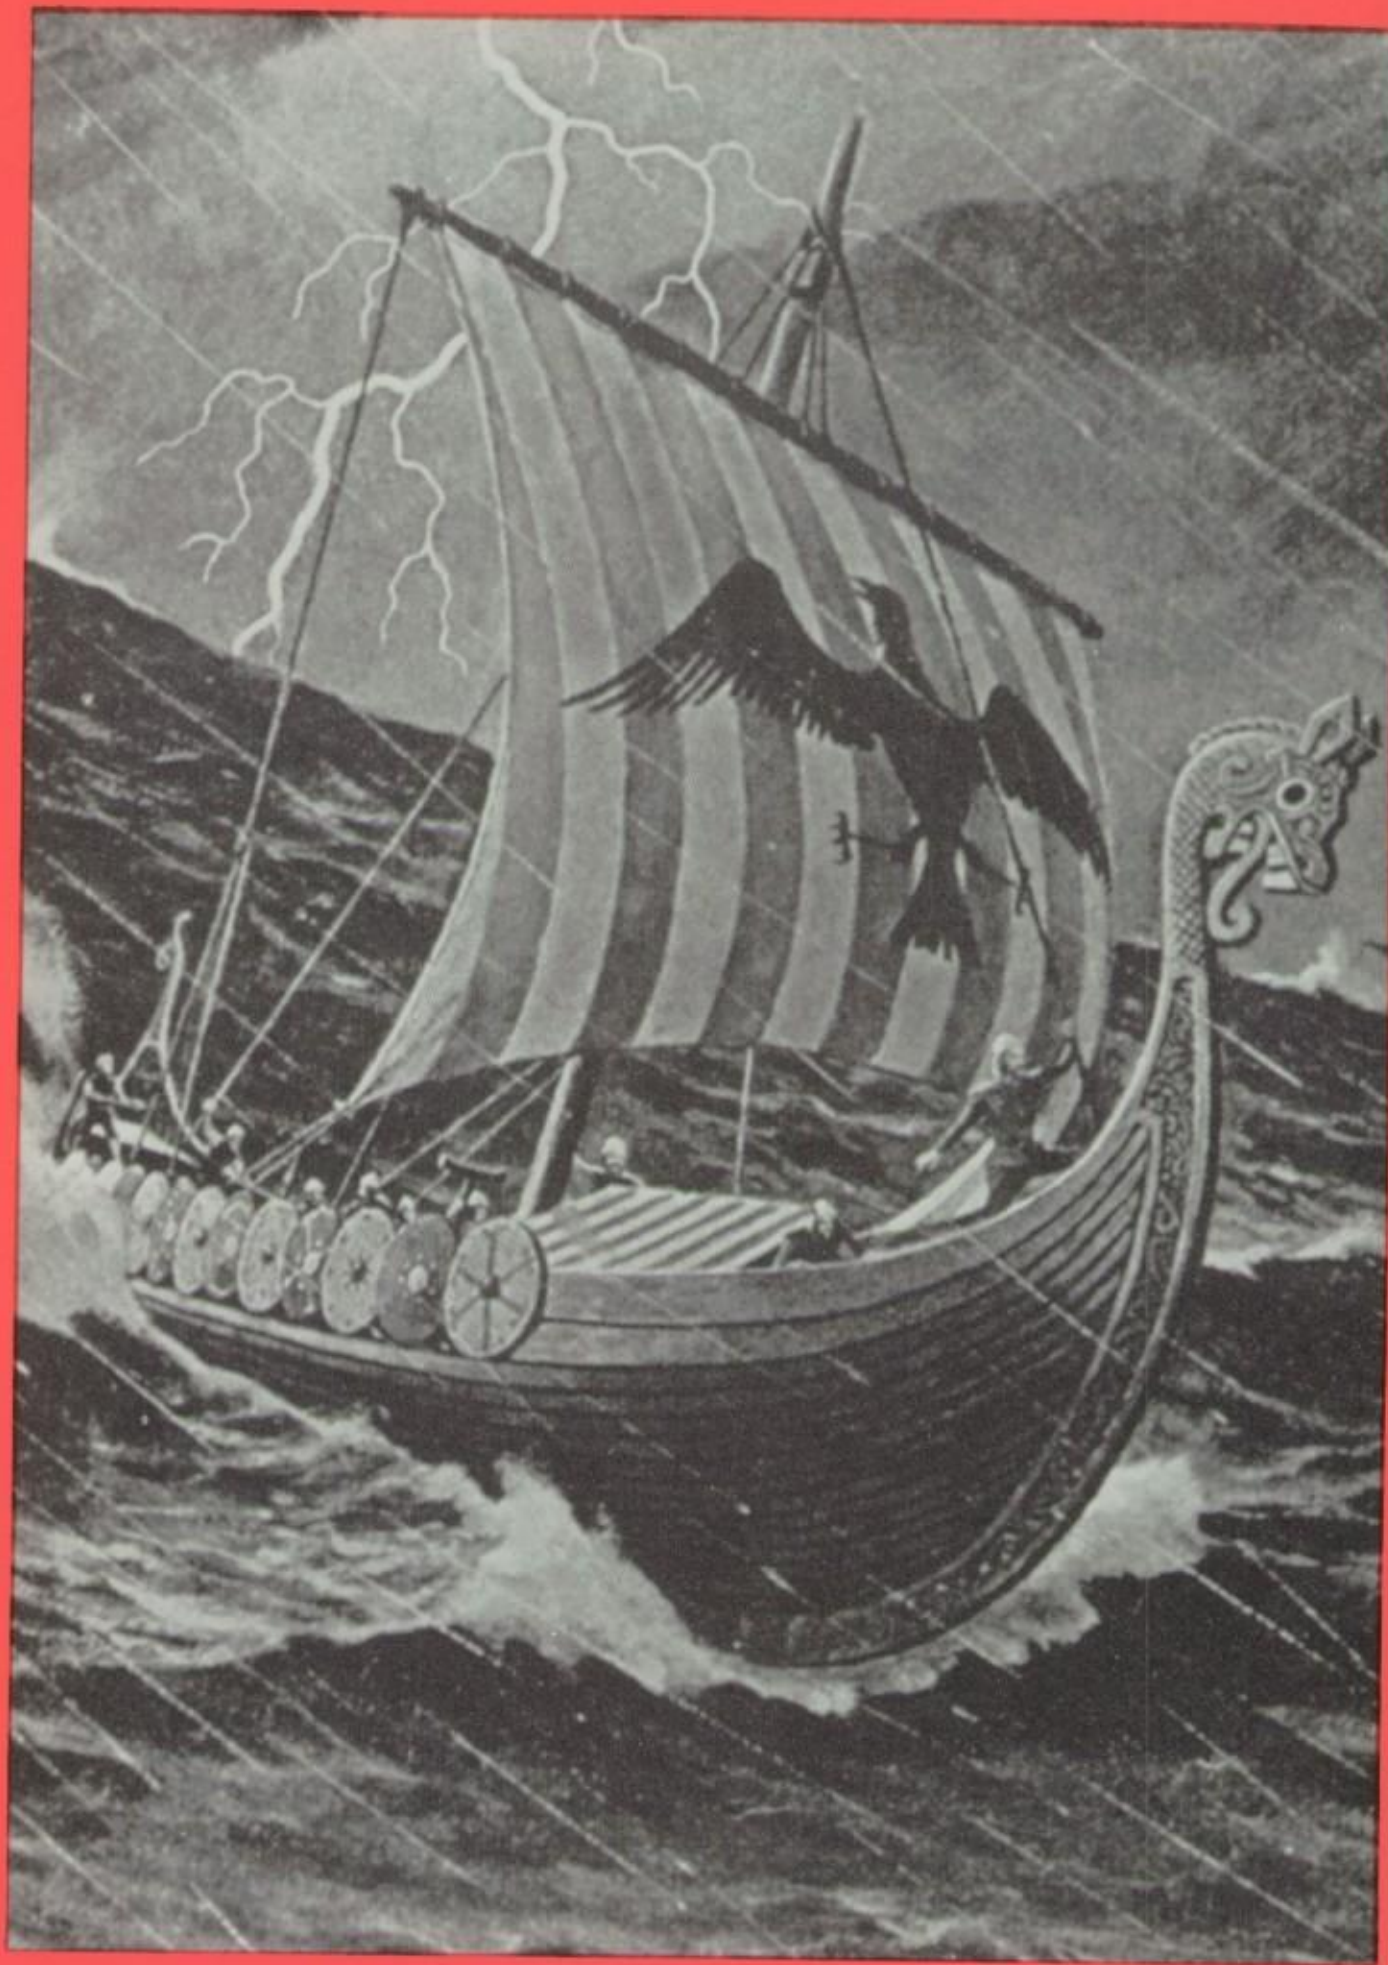

Is it a goodbye and a turn
of the road

To worlds beyond sight?

Is it dragging uphill a
weary load

In a scorching light?

It is morning, and evening,
and noonday and night

This is the second graduating class that has completed all three years at the New Northern building.

Out of 609 seniors, 70 completed all their requirements to graduate early in January.

Potato chip sales throughout the year along with funds accumulated through the sophomore and junior years helped pay for the Senior Prom and Senior Dinner.

Announcements were received in early spring.

Miss Judy Lewis and Miss Glenda Eiler were sponsors of the senior class.

The officers of the senior class were president Tim Haley, vice-president Tramell Ridgell, secretary Teri Besant, and treasurer Robert Adcock.

F a c u l t y

Endless unfolding of words
of ages!

And mine a word of the
modern, the word En-Masse.

A word of the faith that
never balks,

Here or henceforward it is
all the same to me, I accept
time absolutely.

It alone is without flaw, it
alone rounds and completes
all,

That mystic baffling wonder
alone completes all.

I accept Reality and dare not
question it,

Materialism first and last
imbuing.

Hurrah for positive science!
Long live exact demonstration!

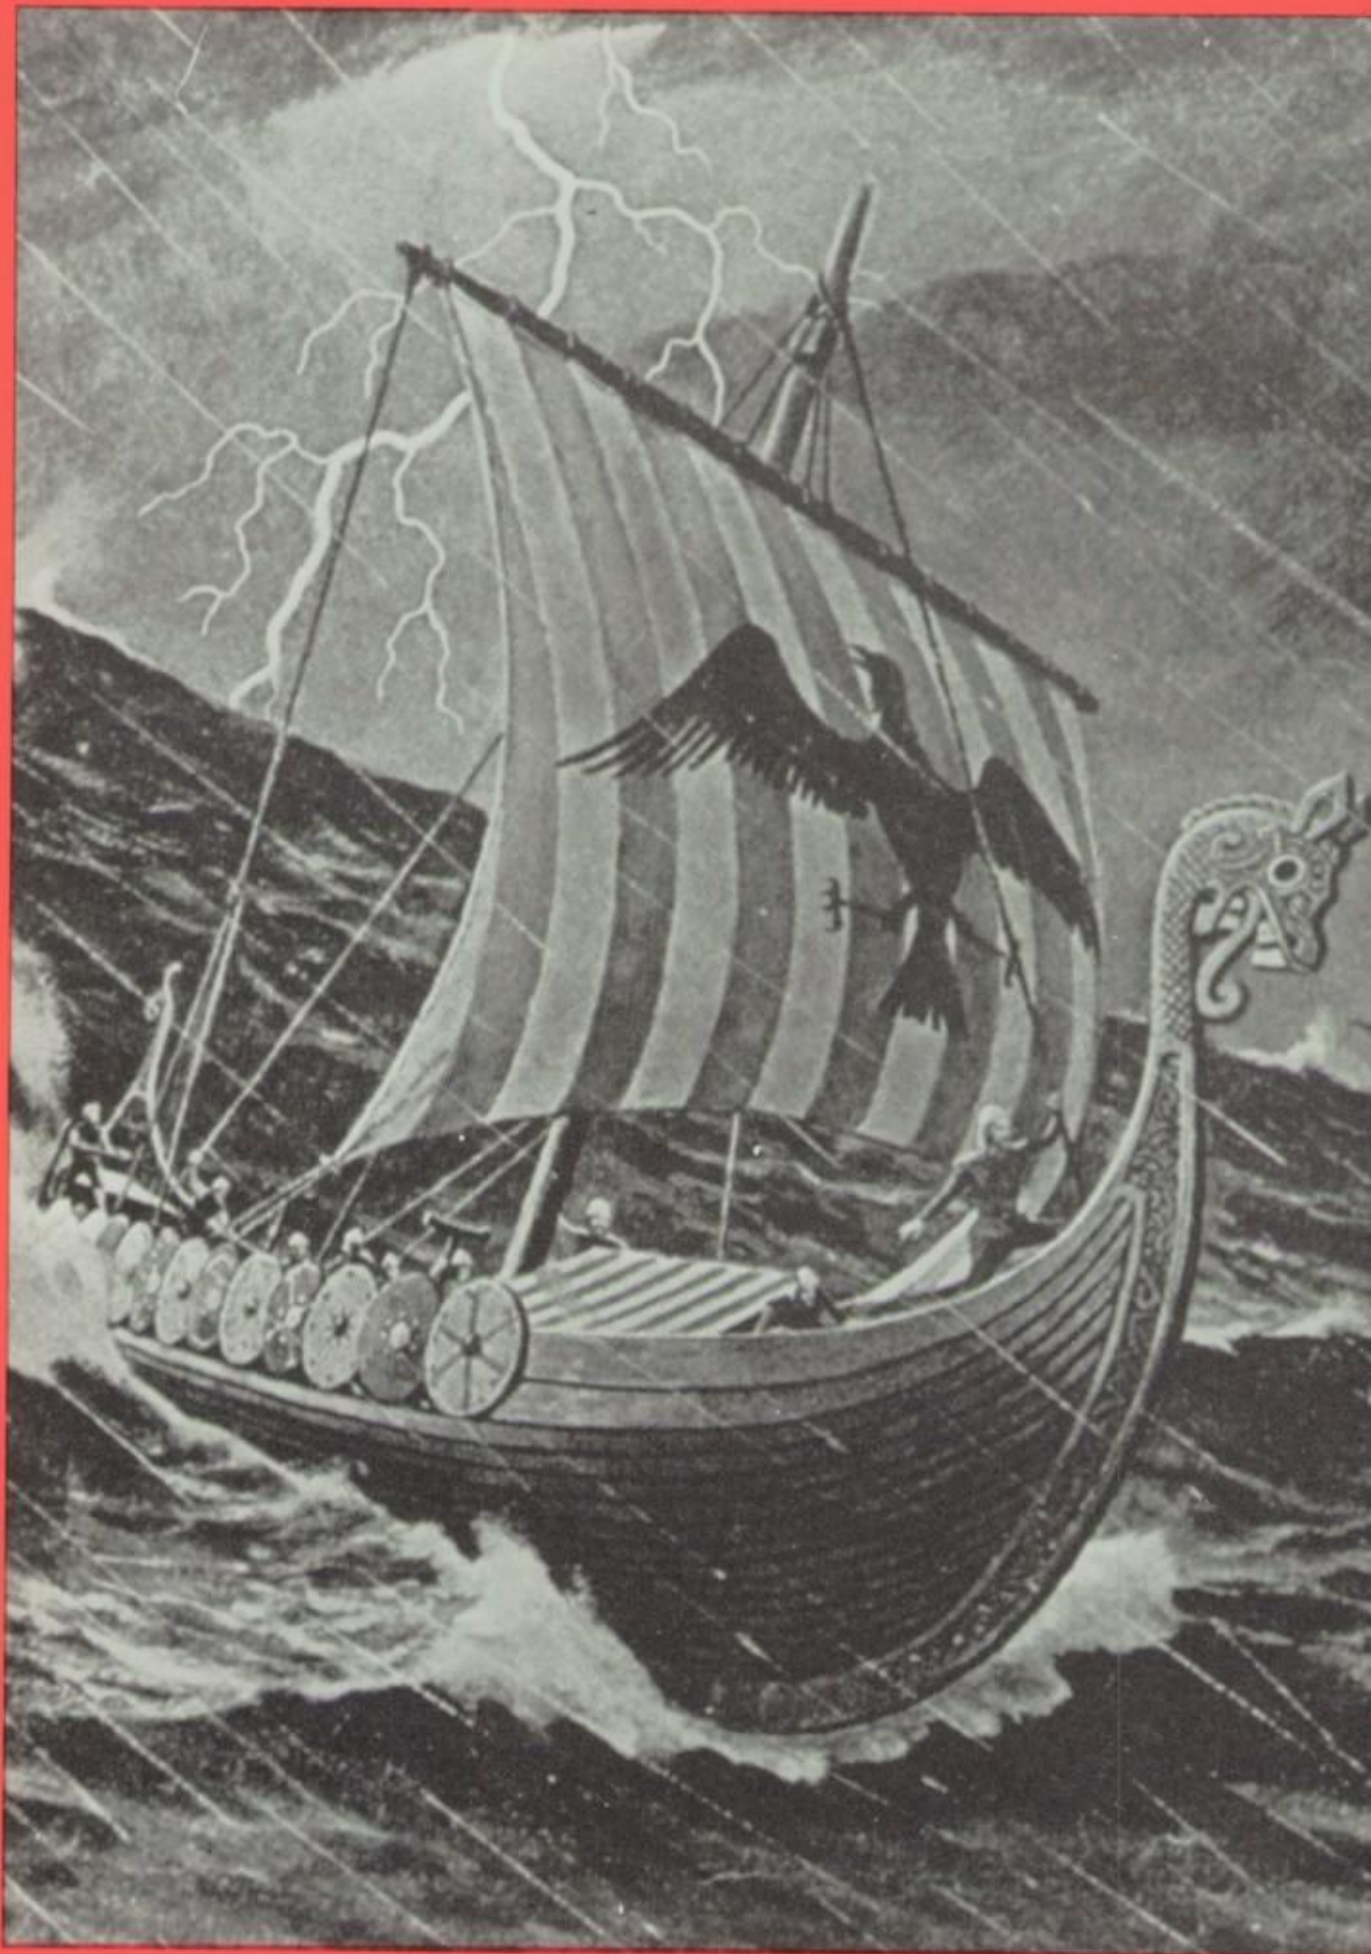

Fetch stonecrop mixt with
cedar and branches of lilac,

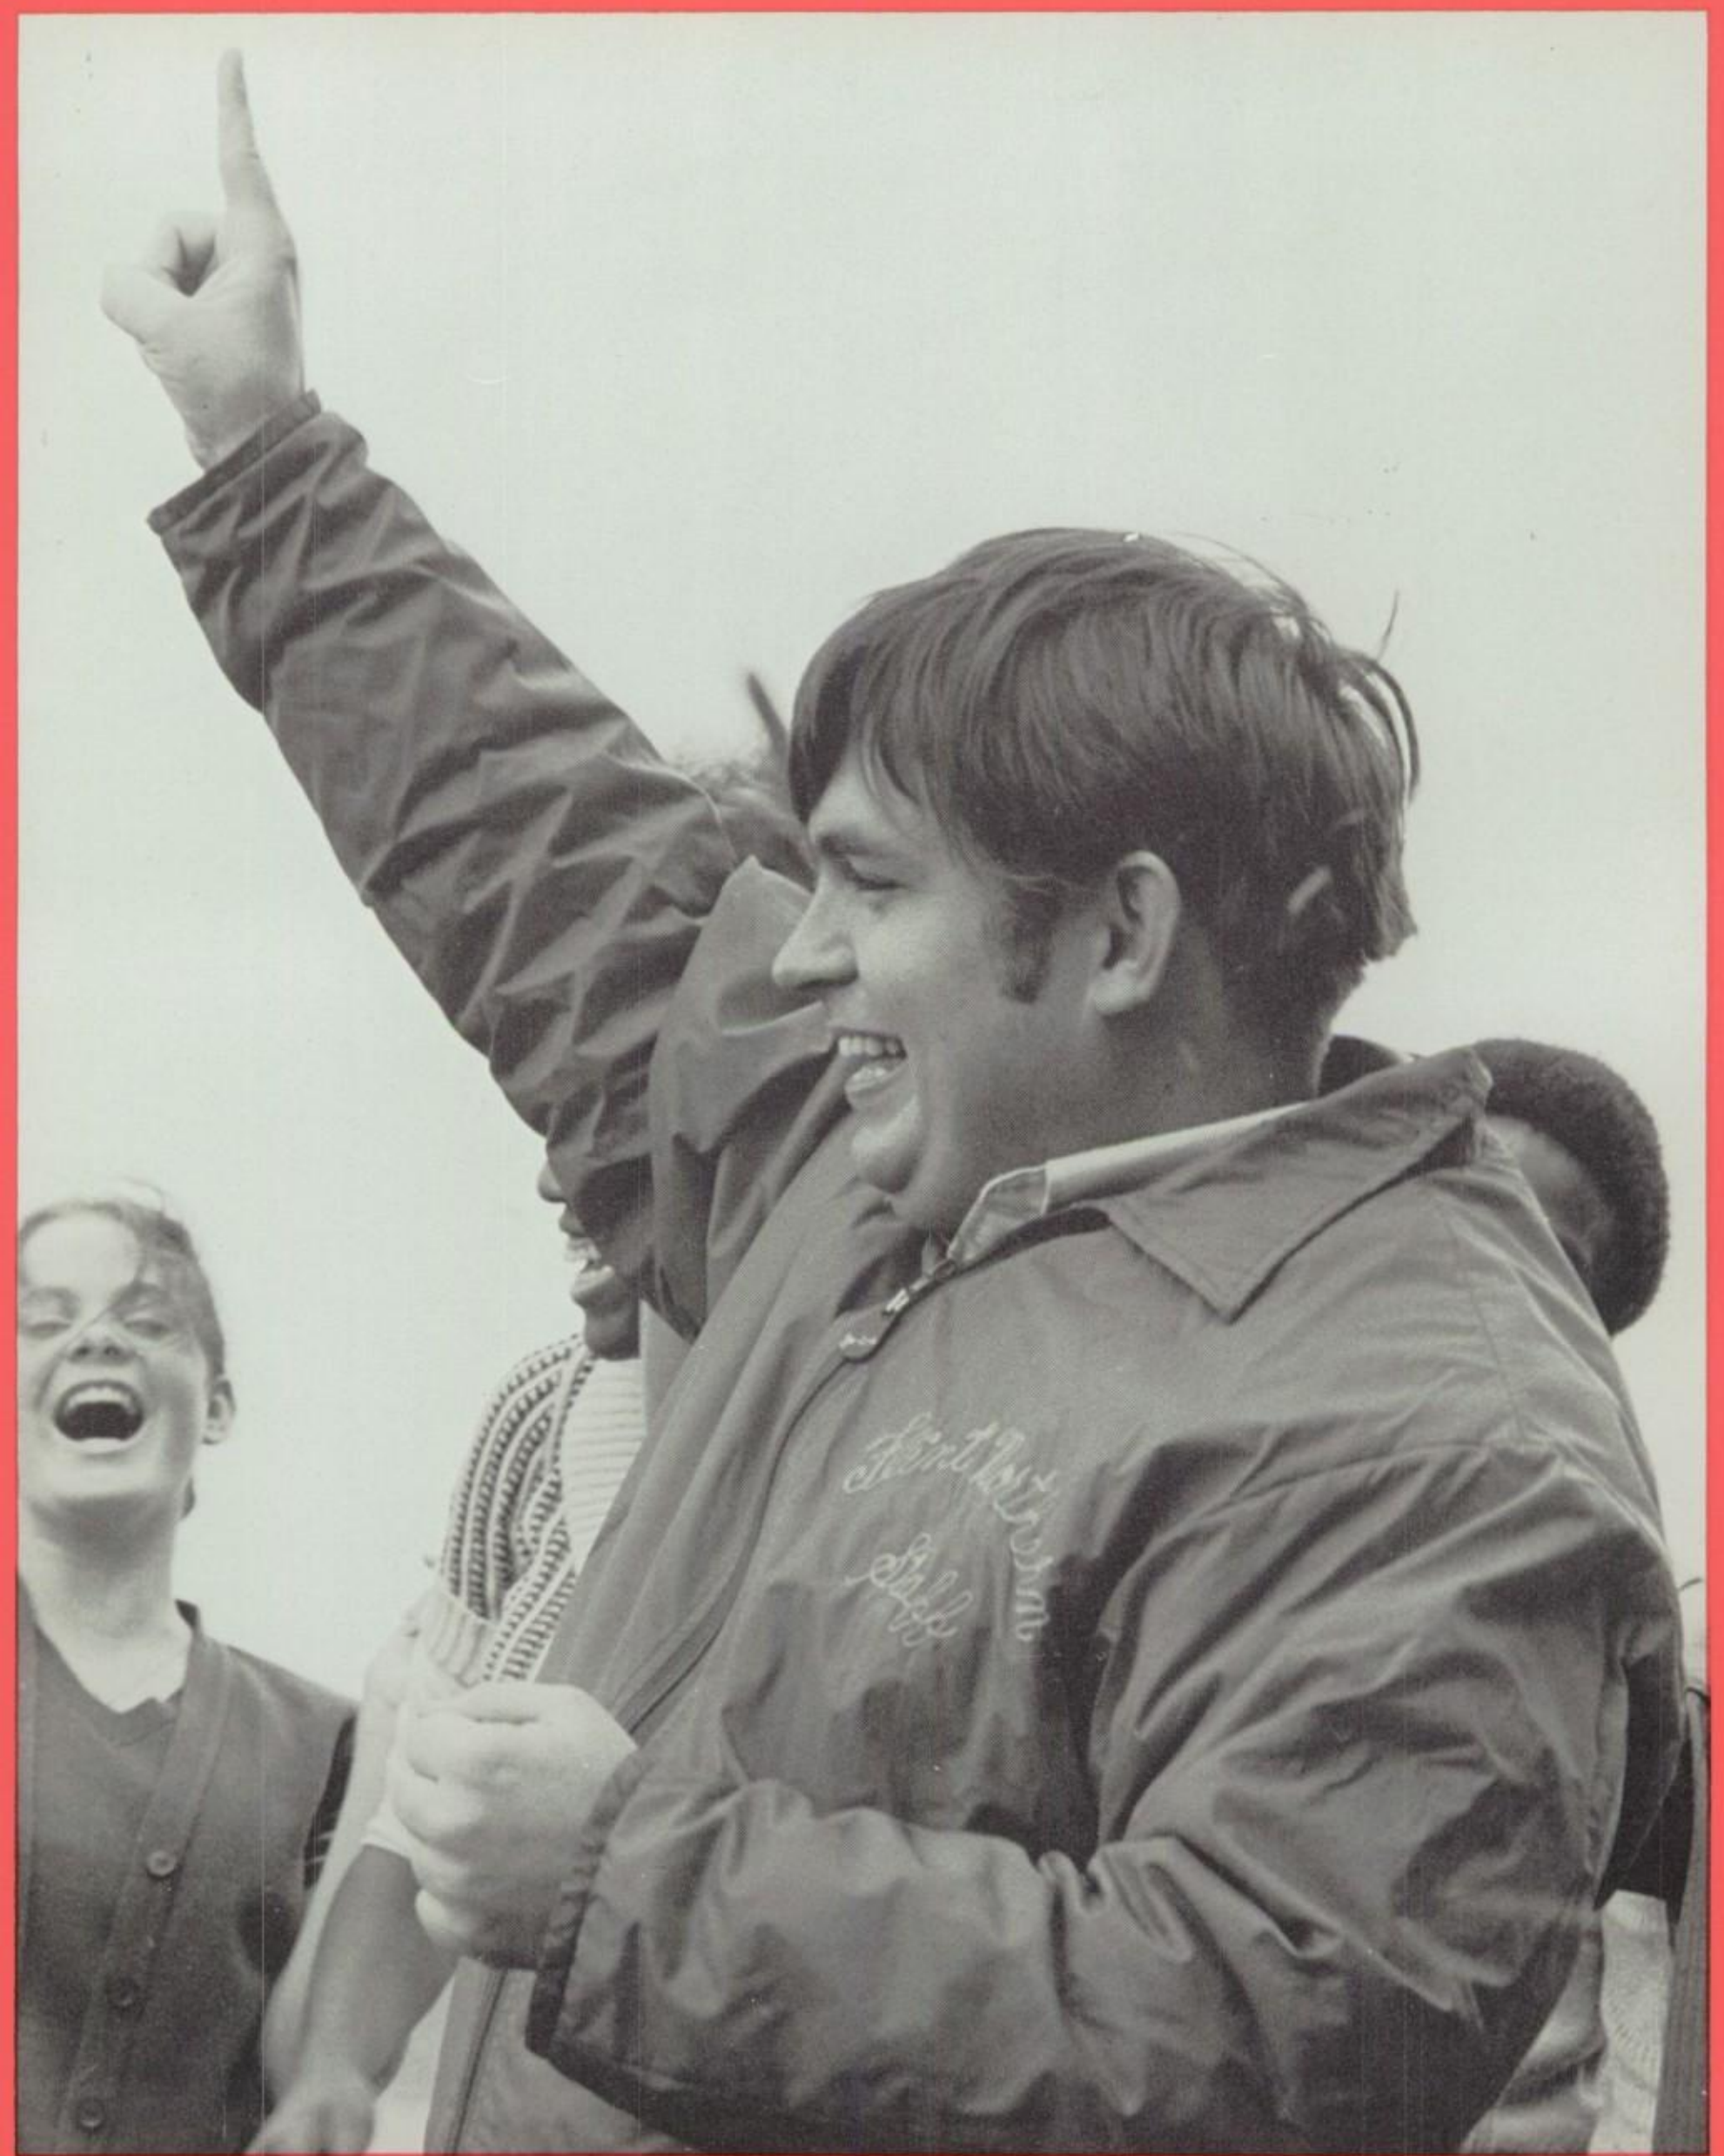

This is the lexicographer,
this is the chemist, this
made a grammar of the old
cartouches,

These mariners put the ship
through dangerous unknown
seas,

This is the geologist, this
works with the scalpel, and
this is a mathematician . . .

Teachers are Helpful people

This past year, Northern's faculty worked hard to help the students increase their knowledge and expand their originality.

Teachers at Northern used a more liberalized system of teaching, encouraging students to use their knowledge to work toward their future.

With the help of Northern's faculty, the students were able to learn to express their own opinions to the fullest extent, and to develop their abilities to make the most of their talents.

Students had the privilege to pick the teacher, class, and hour of their choice, again this year. This gave teachers a more interested group of people with which to work.

Staff's work Helpful to school

The Secretarial Staff at Northern was headed by Mrs. Hazel Culhane. They were responsible for typing and mailing letters, answering the phone, setting up appointments, and the general secretarial routines.

Giving assistance to the students in the library and handling the textbooks were some of the duties the library clerks performed.

Mr. Warren Lasley and the custodial staff kept the halls of Northern sparkling clean.

The Security Aides did the work of patrolling the halls and supervising the restrooms during class breaks.

Giving students individual attention, and checking papers were some of the duties performed by teacher's aides.

Now as these 9 months draw to a close, we remember the activities and events that are summarized in this book. But inside each one of us there is so much more that we may reflect back on in the years to come.

Our years at Northern will probably become the most memorable in our lives. Spiced with experiencing new emotions, wisdom and self worth, our memories will be enriched that much more.

For the graduating class of 1975, the time we've all been waiting for has confronted us. Even though the carefree spirit and satisfaction is felt around school, we look through misty eyes and have great hope for the future, live for the present and hold those memories that will linger in our minds forever.
